SENATE PAPERS

The following Joint Resolution: (S.P. 100)

**JOINT RESOLUTION RECOGNIZING JANUARY 30TH
AS EITC AWARENESS DAY**

WHEREAS, in order to promote the federal earned income tax credit, which enhances family household budgets, we recognize January 30, 2015 as EITC Awareness Day; and

WHEREAS, it is estimated that every year 20 percent of Maine residents do not apply for the federal earned income tax credit, which demonstrates the importance of raising awareness of this credit and urging individuals to find out if they qualify for it; and

WHEREAS, in 2013, these volunteers helped Maine residents save more than \$3,200,000 in filing fees and claim \$5,480,000 in earned income tax credits, returning \$21,450,000 to Maine residents in federal income tax refunds; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Twenty-seventh Legislature now assembled in the First Regular Session, on behalf of the people we represent, take this opportunity to recognize January 30, 2015 as EITC Awareness Day; and be it further

Re: An Act to Implement the Recommendations of the Office of Program Evaluation and Government Accountability and the Government Oversight Committee Regarding Quasi-Independent State Entities

Dear Speaker Eves:

Enclosed are the reports required under 5 M.R.S.A. §12023, due February 1, 2015. The reports include a list of all procurements in 2014 exceeding \$10,000 for which competitive procurement was waived and a list of contributions made in 2014 that exceed \$1,000.

In 2014, the Maine Turnpike Authority made \$73 million in payments to 700 vendors. The vast majority of these payments, approximately \$63 million, were for competitively bid products or services or were legally or legislatively required. The Authority sole-sourced approximately \$10 million in 2014. Most of these products or services were either proprietary in nature or were procured under long-term contracts. As these long-term contracts expire, the Authority will seek competitive bids.

Section 12023(2c) requires a description of changes to the written policies and procedures required by Section 12022. There were no changes to the policies and procedures required by this section in 2014, therefore, there is nothing to report.

Respectfully,
S/Peter Mills
Executive Director

AUGUSTA, MAINE 04330-7131**

January 30, 2015

Honorable Mark W. Eves

Speaker of the House

2 State House Station

Augusta, Maine 04333

Dear Speaker Eves:

I am pleased to submit on behalf of the Board of Trustees of the Maine Community College System (MCCS) the attached report on certain procurements, contribution and policy changes for the period July 1, 2013 through June 30, 2014 as required by 5 M.R.S.A. §12023.

On November 28, 2012, the Trustees adopted revised and/or new policies and procedures in the six subject matters required by 5 M.R.S.A. §12022. On February 1, 2013 MCCS reported those policies and procedures to the Legislature as required by 5 M.R.S.A. §12023.

To report the information required by §12023, MCCS developed a customized reporting feature in the business management module of our information systems for each of the seven colleges and the System Office, and then fed that module with data from the purchase order, cash disbursements and credit card systems. There are thousands of purchases and expenditures across the state by the seven colleges, ten centers and System Office every business day. While the task is complex, our review indicates that the colleges' compliance with System policy has been substantial. Expenditures are consistently mission related and, in those few areas where some improvements can be made, they are already underway. MCCS will continue to use its internal controls and annual outside audit to adapt its systems to changing needs, and our Board of Trustees will continue their own ongoing attention to these matters at their regular meetings.

If you have any questions, please do not hesitate to contact me.

Thank you.

Sincerely yours,

S/John Fitzsimmons
