The 127th Legislature of the State of Maine  
State House

Augusta, Maine

Dear Honorable Members of the 127th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing

LD 420) "An Act To Amend the Law Regarding Filing Fees for Proposed Transmission Line Projects."

The bill increases electric transmission filing fees to pay for additional studies. While this may be good for energy consultants, it is not good policy for the Maine ratepayer. Clearly, we want to pursue cost-effective alternatives to expensive transmission lines, but the studies for alternatives should be funded ultimately by the company that is selected to address the reliability challenge – not always the transmission and distribution utilities.

I recognize that the Public Utilities Commission has indicated that without legislation the mandate created by the last Legislature will ultimately be funded through their budget regardless. However, I do believe that the companies proposing alternatives to transmission should also be required to pay for the initial studies exploring non-transmission alternatives.

For these reasons, I return LD 420 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,  
S/Paul R. LePage  
Governor

The 127th Legislature of the State of Maine  
State House  
Augusta, Maine

Dear Honorable Members of the 127th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 516 "An Act Regarding Gaming."

The Maine State Lottery was enacted in 1973 by the people of Maine in a statewide referendum. It is the responsibility of the Bureau of Alcoholic Beverages and Lottery Operations and the State Liquor and Lottery Commission to administer the Lottery. The statutory role of the Lottery Commission is to set policy for state Lotteries and to promulgate and amend rules for their administration. The intent of this bill was to prevent a specific lottery game from being introduced into the State of Maine. I find this disconcerting for several reasons.

While it is true the State was considering the introduction of a new lottery draw game, known as Keno, that effort was abandoned months ago. Legislation is not needed to prevent the launch of Keno in Maine. All it required was a phone call or a letter expressing concerns to the Executive branch to reconsider introduction of this game. Too often, members of the Legislature assume the answer to every problem is to introduce a bill and a new law.

This bill attempts to restrict the Lottery's ability to develop new game styles and prize structure offerings. If we are going to operate a Lottery in the State of Maine, then it needs the flexibility necessary to innovate and refresh its offerings. This bill limits that flexibility.

Rather than advancing well-developed, thoughtful public policy that further defines and supports the Lottery, the Legislature has taken a short-cut that makes our laws worse, not better. I return LD 516 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,  
S/Paul R. LePage  
Governor

State House

Dear Honorable Members of the 127th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 459 "An Act To Protect the Environment from Fireworks Debris."

The Maine Litter Control Act begins by defining litter as "any waste material" before listing specific examples of such waste materials. Common sense would dictate that expended firework casings and other like debris would constitute "waste materials" and thus would be considered litter. As such, this bill is unnecessary.

For this reason, I return LD 459 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

On **OBJECTION** of Representative McCREIGHT of Harpswell, was **REMOVED** from the Special Sentiment Calendar.

The **SPEAKER**: The Chair recognizes the Representative from Harpswell, Representative McCreight.

Representative **McCREIGHT**: Thank you, Mr. Speaker, Women and Men of the House, I rise to speak of Dr. Judy Kahrl who is being honored by the Maine Women's Fund. The Women's Fund is a public foundation that works to transform the lives of women and girls through grant making, community engagement, and support to nonprofit organizations dedicated to social change.

Dr. Kahrl has been chosen as the recipient of the Sarah Orne Jewett Leadership Award, an honor presented to a woman who embodies the traits of women portrayed in Sarah Orne Jewett's works. And it bears repeating: those attributes are true grit, independence, courage, humor, and discipline.

Judy Kahrl is certainly deserving of this honor. She is a woman who leads by example in the way she lives her life, and the way she unflinchingly volunteers her time and her expertise to many groups and initiatives, working to improve the lives of women and girls, and therefore all of us. Because of her leadership, we all benefit. I am proud to call her my friend and mentor. Thank you.

The **SPEAKER**: The Chair recognizes the Representative from Topsham, Representative Tepler.

Representative **TEPLER**: Thank you, Mr. Speaker, Ladies and Gentlemen of the House, I rise to join my seatmate in saying good things about the wonderful Judy Kahrl. Judy is an amazing woman, an amazing leader for all women of the state, and a great example to young women growing up in our state. Thank you.

The **SPEAKER**: The Chair recognizes the Representative from Bath, Representative DeChant.

Representative **DeCHANT**: Thank you, Mr. Speaker, I rise to support my sisters in Sagadahoc County. I've had a chance to encounter Judy Kahrl on several different occasions, although there's a bridge between us in Bath and her home in Arrowsic.

She's had a huge impact on me with women's reproductive rights. I first met her and encountered her through her wild commitment and enthusiasm for Grandmothers for Reproductive Rights, which GRR's out to an acronym that one can't forget. And, of course, meeting her as well makes a memorable

impression. So, today is a perfect day, and every day is a perfect day, to commemorate her commitment.

Subsequently, the Sentiment was **PASSED** and sent for concurrence.
