**STATE OF MAINE
ONE HUNDRED AND THIRTY-FIRST LEGISLATURE
SECOND REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Wednesday
January 3, 2024

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Reverend Sarah Gillespie of Androscoggin Home Healthcare & Hospice.

REVEREND SARAH GILLESPIE: God of many names, breath within each of us, help us to pause as we begin again, remembering our call to this work. We come to this place in this new year not disregarding our past regrets, mistakes, or choices, but learning from them. Allowing them to turn into wisdom instead of ego, pride, or power. We come to this place with a deep sense of duty to serve all people who call Maine home, and to make our state better. We ask your blessings on this fresh start. Bless our voices, minds, hearts, and hands this morning, and give us the humility to listen more than we speak. Grant us grace as we listen and decide how to keep Mainers safe from unnecessary violence and trauma and loss, and how to give those who have been harmed the time and supports to grieve, to cry, to remember, and survive. Grant us peace as we listen and work through how to make it so that anyone needing help finds it easy and accessible to get it. Grant us compassion as we listen and learn about the needs of the poorest among us and make a way so that all can have the free will to decide where and how they live. Give us openness as we listen and collaborate through being good stewards of the precious resources we have - our money, our time, our energy. God of all, grant us compassion and remind us that we are in this together, that we are most strong when we are most kind to ourselves, to our communities, and to all the people of this great state. Bless us in our work today and all days. May it be so. Amen.

National Anthem Performed by Lewiston High School Chamber Singers.

**JOINT RESOLUTION
HONORING THE MEMORY OF THE VICTIMS OF
THE TRAGIC MASS SHOOTING IN LEWISTON ON OCTOBER
25, 2023**

WHEREAS, the senseless mass shooting at Just-In-Time Recreation and Schemengees Bar & Grille in Lewiston, Maine resulted in the tragic deaths of 18 innocent people; and

WHEREAS, a number of people were injured and in critical condition as a result of the attack; and

WHEREAS, the people of Lewiston and the surrounding communities continue to mourn the deceased and to support the injured, family members, friends and neighbors; and

WHEREAS, the tragic incident marked the 17th mass shooting in the United States in the month of October 2023 alone; and

WHEREAS, it is the deadliest mass shooting in Maine history; and

WHEREAS, residents across the State continue to feel the emotional and psychological toll of the mass shooting; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Thirty-first Legislature now assembled in the Second Regular Session, on behalf of the people we represent, wish to reaffirm our sympathies to the victims of this terrible tragedy as well as all of their family and friends and all those across the State and Nation who have been affected by this event.

The Joint Resolution was **READ**.

The **PRESIDENT:** The Chair recognizes the Senator from Androscoggin, Senator Rotundo.

Senator **ROTUNDO:** Thank you, Mr. President. Request permission to speak.

The **PRESIDENT:** So moved.

Senator **ROTUNDO:** Thank you, Mr. President, and Colleagues of the Senate. First, I'd like to thank the Lewiston High School chorus for its beautiful rendition of the Star-Spangled Banner, and I would like to thank the Reverend Sarah Gillespie of Androscoggin Homecare and Hospice in Lewiston for her healing words. Lewiston is a wonderful, diverse, and vibrant community. It's a place I've been proud to call home for more than 45 years. Those of us who live there know what a very special place it is. However, on October 25th, our city transformed overnight. In a matter of minutes, a city normally so full of life and light became a community in mourning as we were forced to grapple with unimaginable heartache and profound grief. Our sense of safety

and security shattered by a horrific act of mass violence. Eighteen Mainers lost their lives that night. Lives unjustly and violently cut short. They were our friends, our neighbors, our loved ones. The eulogies for these good people were full of praise for them and for the things that made them special. They were kind, loving, and courageous. Some were veterans who had served our country. Some were mentors and coaches to young people. Some enjoyed spending time socializing with friends, playing cornhole, or bowling on a team after a long day at work. Many were devoted fans of the Celtics, Red Sox, and Patriots. They were proud parents and grandparents. They were sons and daughters, spouses, and co-workers. They all loved their families and friends deeply, and they were adored and loved deeply by their family and friends in return. It's been three months since the devastating attack in Lewiston. The world may have moved on, but for the people of Lewiston, the surrounding communities, and many in Maine, the healing is just beginning. The pain, the trauma, and the anguish remain for many. We are living the advice of Reverend Sarah Gillespie, who reminded us at the time that we need to stay strong, stay kind, and stick together. Once again, Lewiston is demonstrating what an extremely resilient, strong, and caring community it is. As we have in the past when faced with tragedy, we will emerge stronger than ever. So, today, on the first day of the Second Regular Session, I offer this Joint Resolution on behalf of almost the entire Legislature to honor the memories of the 18 Mainers killed in the Lewiston mass shooting. This Joint Resolution represents our shared grief and compassion for our Maine neighbors, who with broken hearts and lives must now manage the new absences in their lives. It's my hope that this Resolution also represents our commitment to ensure this tragedy is not forgotten, remembering that we truly honor those we have lost by coming together and making a difference in the world. Words we were reminded of after the tragedy by Kevin Bohlin of the deaf community, a community which lost so many of its beloved in the mass shooting. So, let us thank all the first responders, members of law enforcement, and health professionals who responded so bravely and quickly to this devastating attack on our community. Let us give thanks to the heroic efforts of our healthcare providers who cared for the injured, enabling some of those who were shot that night to survive. And let us give thanks for the skilled and dedicated mental health professionals who are helping to heal the invisible wounds that so many carry. Before I close, I want to take a moment to read the names of those lost into the legislative record: Tricia Asselin, Billy Brackett, Peyton Brewer-Ross, Thomas Conrad, Michael Deslauriers, Maxx Hathaway, Bryan McFarlane, Keith Macneir, Ronald Morin, Joshua Seal, Arthur Strout, Bob and Lucy Violette, Stephen Vozzella, Jason Walker, Joe Walker, Bill and Aaron Young. Let us observe a moment of silence, remembering and honoring the lives of the 18 people who were lost that night, and letting their families and friends and the survivors know that they are in our thoughts and hearts always. They and their loved lost ones will never be forgotten. Thank you.

The Joint Resolution was **ADOPTED**.

Sent down for concurrence.

The Senate observed a moment of silence, remembrance, and prayer for victims of the tragic mass shooting in Lewiston.

The Senate was called to order by the President.

ORDERS

Joint Order

Out of order and under suspension of the Rules, on motion by Senator **VITELLI** of Sagadahoc, under unanimous consent on behalf of President **JACKSON** of Aroostook, the following Joint Order:
S.P. 912

ORDERED, the House concurring, that Bill, "An Act to Restore the Former State of Maine Flag," H.P. 54, L.D. 86, and all its accompanying papers, be recalled from the Governor's desk to the Senate.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Bennett.

Senator **BENNETT:** Thank you, Mr. President. Request permission to pose a question through the Chair.

THE PRESIDENT: So moved.

Senator **BENNETT:** I would like to -- to anyone who can respond what the rationale would be to take this measure back from the Governor's desk.

THE PRESIDENT: The Chair would try and answer that. When we ended last session, the Governor chose to hold this bill. It's on her desk now. From what I understand, because we were late in ending last session, it pushed the time period of this bill going onto the election from 2023 to 2024, and because 2024 is an election year for all of us, the President, Congress people, and all that, the Secretary of State feels that they may need considerably more resources. So, the idea was to recall the bill from the Governor's desk and then put it on the Appropriations Table to look at what the costs were because they feel strongly that they have changed from 2023 to the ballot in 2024. The other thing I would bring up is that we won't be back in three days' time, so that bill -- if the Legislature opened it up today, that bill would be vetoed simply by the fact that we won't be back in time to pull it off the Governor's desk if we don't do it today.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Bennett.

Senator **BENNETT:** Mr. President, it occurs to me that referendums are likely to be held on -- particularly on an even-

numbered year. The bill carries a fiscal note for \$172,000, possibly, the usual fiscal note for a referenda that appear. I don't understand what different actions the Appropriations Committee may take on this matter to amend the fiscal note and what would be appropriate to amend the fiscal note if we did send it back to that process. So, on that basis, I don't support this at the present time. Thank you, Mr. President, and I request a division.

THE PRESIDENT: The Chair would reply that in odd-number years typically there's not as much to go before the citizens. In even-number years, sometimes there can be as much as two ballots. And if it's two ballots, obviously more cost, all that stuff. So, the nuts and bolts of that, obviously, would be decided in Appropriations, which you're obviously having the opportunity to, but again, it comes down to either pull it off, send it to Appropriations so we can get those numbers, or the bill will effectively die because it will be pocket vetoed before we get back in next Tuesday.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Brakey.

Senator **BRAKEY:** Thank you, Mr. President. I just want to say that since this was passed by this and the other body last year, I know that there's been a lot of excitement I've heard from constituents in my district about the opportunity to vote on this measure in the upcoming November election. So, hearing the explanation from the Senate President, I will support the underlying motion as a show of good faith, but I hope that -- I know this was something that did unify the -- well, mostly unified the body last session, and I hope that we do see this through to meet the expectations of our constituents and get this on the ballot in November. Thank you.

At the request of Senator **BENNETT** of Oxford a Division was had. 23 Senators having voted in the affirmative and 9 Senators having voted in the negative, the Joint Order was **PASSED**.

Sent down for concurrence.

All matters thus acted upon were ordered sent down forthwith for concurrence.

At this point a message was received from the House of Representatives, borne by Representative TERRY of Gorham, informing the Senate that a quorum of Representatives was assembled for the consideration of such business as may come before that Body.

MAINE HUMAN RIGHTS COMMISSION AUGUSTA, MAINE

September 11, 2023

The Honorable Janet Mills, Governor
The Honorable Troy Jackson, President of the Maine Senate
The Honorable Rachel Talbot Ross, Speaker of the Maine House of Representatives
State House,
Augusta, Maine 04333

Dear Governor Mills, President Jackson, and Speaker Talbot Ross:

On behalf of the Commissioners and staff of the Maine Human Rights Commission ("Commission"), we are pleased to present you with our agency's Fiscal Year 2023 {"FY 2023"} Annual Report.

After two very long years in which COVID-19 seemed to dominate our collective lives, in FY 2023 the State of Maine and its government began to emerge from pandemic mode. Some operational changes the Commission adopted during the pandemic appear likely to endure (much Commission complaint-filing and pleading now is done electronically, and our agency investigations and mediations are conducted mostly remotely), while some continue to evolve (public hearings and outreach events returning to in-person or hybrid formats), so the new "normal" for Commission matters continues to evolve. With so much change in the air, the Commission continued in FY 2023 to uphold our statutory charge to enforce Maine's anti-discrimination laws. A few highlights are as follows:

- The Commission received 683 new complaints in FY 2023, up from the prior year's 614.
- Of new complaints filed, 57% were based on employment, 21% were based on housing, 16% were based on public accommodations, and 2% were based on education.¹
- Investigators wrote reports after completed investigations in approximately 166 cases during FY 2023.
- Commissioners found"
- The Commission closed 654 cases in FY 2023.
- At the end of FY 2023, 789 cases remained pending, a slight increase in pending cases from the prior year.

The Commission continues to work to eliminate unlawful discrimination for all citizens of and visitors to Maine. We hope this report is of assistance, as our agency seeks to work closely with the Executive and Legislative branches as we jointly assure the citizens of Maine the protections afforded by the Maine Human Rights Act.

Sincerely,

S/Jefferson Ashby
Acting Commission Chair
