Off Record Remarks

THE PRESIDENT: It's great to see so many faces and friends back here in the Senate. So, to our former Members joining us today, it is a true honor to welcome you home. And to our current colleagues, thank you for being a part of this tradition, one of the most special days in our legislative calendar.

Welcome Back Day is our homecoming as a legislature. It's a celebration of the people who built this institution, who filled these very seats, walked these halls, and carried the hopes of our communities into this Chamber. Today is about honoring your service, your legacy, and the mark that you've left on the Peoples' House. And when I look around this room, I see not just the present and the past that guides us, but also the future we're building together. Each of us, past and present, have been entrusted with the responsibility of representing Maine people. That responsibility is humbling and frankly, some days, quite a lot of stress. But today reminds us that we are never doing it alone. We are part of something bigger than any single session, party, or

policy win.

To those who have come back today, thank you. You helped shape what this institution is and should continue to be - accessible, responsive, respectful, and rooted in community. Whether you served one term or many, your work echoes throughout this building. The floor debates, the late-night committees, the bipartisan problem-solving, hoping there's a Lunch and Learn to get some food, the lives and the hometown stories you've carried into every vote. Those moments endure.

I still remember my first time being in this building, not as a legislator but as a 6-year-old page for Charlene Rydell, wide-eyed and full of wonder. And even then, I could feel the weight of what this place represents. And that sense of awe has never left me. I imagine many of you remember your own first walk up those marble stairs, probably hoping you wouldn't fall and they weren't slippery. Maybe you're in a winter coat, heart pounding, wondering if you truly could make a difference here or if you could even find the Chamber to which you were about to be sworn into. But you did. And now, your stories, your legislation, your courage, your presence are part of the long and rich history of this Chamber.

One of the great honors of serving in leadership is knowing we stand not just with our peers, but on the shoulders of those who came before us. We are continuing your work, learning from your example, and trying always to leave this place better than we found it, just as you did.

I often reflect on the fact that more than 24,000 Mainers have served in this Legislature since its founding. That number isn't just about history, it's about continuity. It's about shared values and collective wisdom. And it's about making sure that each generation of legislators understands the significance of the work and the humanity behind the process.

We live in a time where political divisions can feel louder than our shared goals, but this reminds us - this day - that our connections run much deeper than that. It goes beyond the headlines. Across party lines and policy differences, we are united in our belief in public service and our commitment to make our lives better for all Mainers, not just for those in this building. And it's proof that what unites us as Mainers is greater than any divide.

So, today, we celebrate more than memories - although I know all of you probably have some stories we'll hope to hear afterwards at the luncheon - we also recommit ourselves to the values that have always sustained this Legislature: Respect, inclusion, hard work, a little humor, and a sense of shared purpose. Let us continue to invite the voices of former Members into our conversations, let us keep learning from the past - not as a weight, but as a guiding light - and that's the real magic of Welcome Back Day.

So, again, thank you all for being here. Thank you for your service, past and present. And most importantly, it's good to have you home.

So, with that, we are going to recognize former Presidents of the Senate and invite each one of them to the rostrum to address the Senate.

President Charlie Pray served in the Senate from the 107th through the 115th Legislature. He was also Assistant Minority Leader in the 109th and 110th sessions. He was Majority Leader in the 111th and Senate President in the 112th through the 115th Legislature. Will President Pray please step forward to address the Senate?

Former President **PRAY**: Thank you. I want to start off first of all by apologizing. When I -- I spent my first eight years in the Senate Chamber in the Minority. Joe Sewall, Senate President, was a very gracious individual, taught me a lot though we were opposite parties, and we had at that time always on Welcome Back Day former Governor Burton Cross would come in and address the House and address the Senate Chamber. Those who might be old enough to remember him serving as Governor - I see very few who were here while he was the former Governor and come in and address us - he would always criticize the legislators, Republicans and Democrats, for all the things that they were doing, particularly spending, because he was opposed to even having the building across the backyard here. But it got to the point that he would get up here and he'd just demean the legislative process.

When I became Senate President, former Republican Senate President Ken MacLeod came walking in that back Chamber and I said I've had enough of this negative. So, I said the Chair would like to welcome the former Senate President Ken MacLeod to the rostrum to say a few words. Ken came up and said I don't have anything to say, I wasn't prepared for this, and I said tell them about how you like the institution and how you love it and how you work for it. Well, when I did that, there was only one or two former Senate Presidents. Now, we've got a dozen of them. So, you have to sit here and listen to a whole bunch of them now.

So, I just want to say it was a privilege. I see a number of Members that I served with that are here, I appreciate every one of them, a couple of the opposite political party, we are still friends, we get along well, we talk to each other frequently. Howard Trotzky from -- former Republican Senator from Penobscot County, the Bangor area, is here. We always greet each other warmly when we see each other. And I hope you go forth in your tenure, when you come back to Welcome Back Day, you see a lot of people that you really missed working with. And I want to wish all of you well through the rest of this session. The bad news is the election is 544 days away. I always started caucuses off reminding the Members how many days they had to the next election because you've got to go back and be responsible to the voters, and you're still responsible to the voters no matter where the politics lie.

Thank you very much for this opportunity. Marcia, I just want to thank you in the prayer of not mentioning me. I was -- I did tell Darek they should've had you walk down on this side, but she'll tell you the story about that. Thank you.

THE PRESIDENT: Thank you, President Pray, for your leadership and your service and for starting this ceremony, apparently.

President Mark Lawrence served in the Senate from the 116th to the 119th Legislature -- oh, I'm still giving your deets, even if you aren't giving a speech. He was Minority Leader in the 117th and Senate President in the 118th and the 119th Legislature. President Lawrence returned to the Senate in the 129th, 130th, and the 131st, and we are pleased to have him back in the Senate as a Member this session. He also served in the House in the 114th, 115th, and the 128th.

Since at this time he will not be addressing us due to being a little bit under the water - and by water, I mean weather, not water, it's hasn't been that bad of a session yet - would the Sergeant-at-Arms please deliver the gift to President Lawrence? Thank you.

Thank you, President Lawrence, for your leadership and

service, and this might be the first time that I've known you that you're at a loss of words.

President Richard Bennett served in the Senate from the 118th through the 121st Legislature. He was Assistant Minority Leader in the 119th and Senate President in the 121st, during a historic and unique power share session in which the Senate was evenly divided between the parties. President Bennett returned to the Senate in the 130th and 131st and we are pleased to have him back in the Senate as a Member this session. He also served in the House in the 115th and the 116th.

Will the Sergeant-at-Arms please escort President Bennett to the rostrum to address the Senate?

Former President **BENNETT**: Thank you, President Daughtry. I appreciate you giving me the applause before I have my remarks because you don't know, really, what you're going to get. But you will get, since I get the opportunity to address the Senate frequently, I will keep it brief.

I know you're all here today, returning to the Senate, because this place has left a special mark upon your hearts. And there's a real love here that has existed for those of us who served and it is a unique and special character, I think, of the Legislative Branch of government that you don't see elsewhere. This is the place where the peoples' voice is heard, and the peoples' will is done. And part of that work is the sacrifices that are made for that kind of participation. And the sacrifices not only inure to the Members of the Legislature, the Senate and the House, and all the sacrifices that you've all made to make our democracy work, to breathe life into it, but also to the people whose voice comes to us and the Legislature is the place where their voice is heard. The fact that every bill gets a public hearing and that anybody can speak and have their voice heard on any of those bills is an astonishing part of our work here. Just the listening is so important to keep our democracy alive and our country together, our state together.

So, I want to just acknowledge the sacrifices. I want to thank you all for your service, and I wish you all the best today and hereafter. God bless the Maine Senate. Thank you.

THE PRESIDENT: Thank you, President Bennett, for your leadership and your service.

President Libby Mitchell served in the Senate from the 122nd through the 124th Legislature. She was Majority Leader in the 123rd and Senate President in the 124th Legislature. President Mitchell also served in the House through the 107th through the 111th, and the 115th through the 118th in the House. And during her time in the House, she served as Assistant Majority Leader, Majority Leader, and as Speaker of the House.

I would also like to note that President Mitchell was the first woman in Maine to serve as Speaker and also the first woman in the country to serve as both Speaker and President, something from which my own research has not found any other woman who has topped that record.

Would President Mitchell please step forward to address the Senate?

Former President **MITCHELL**: Thank you, Madam President. Thank you all so very much. It is a deep, deep honor that I'm here today, and as I look at the wisdom of the Senate Chair of Appropriations who served with me and kept me on the right track and your wonderful young Speaker -- President, sorry, she could be both -- but all of this reminds me of what an extraordinary

institution this is.

You all may know that I'm currently serving as Judge of Probate. That's a great job except I can't pontificate and argue for policies unless I get to go to Senator Carney's committee, the Judiciary Committee, and I'm able to speak about things that are important to the Judiciary. So, it's an extraordinary honor to be here.

I just want to say this closing thing to you; it truly is a family. I was a little reluctant to come back today, I've just returned from the burial of my only sister. We were so very close, seven years older, shared the same birthday, and of course, she -- it was time, she was ready, but it made me realize how important family is. We don't always agree, but we were always there to support one another. When I look at you, that's what I see. It's a family. That's why the President had to talk about how you couldn't get rid of me, I just kept running again, because you are a family. You support one another, you can disagree, but please always remember why you're here. It is an honor of a lifetime, and you were chosen, and I am so thrilled to be able to see all of you again.

Thank you, and keep up the good work, we're all pulling for you.

Thank you, Madam President.

THE PRESIDENT: Thank you, President Mitchell, for your leadership and your service. Will the Sergeant-at-Arms please escort the President to the House?

The Chair is pleased to welcome back the following Senators. Please rise when your name is called to be recognized and accept the greetings of the Senate. So, please rise when I read your name. The Honorable Michael Carpenter, who served in the House 107th and the Senate 108th through 112th, as well as 128th and 129th. The Honorable Cathy Breen, who served in the Senate from the 127th through the 130th. We're also joined by the Honorable Justin Chenette who served in the House in the 126th and then the 127th as well as the Senate in the 128th and the 129th. The Honorable Benjamin Chipman from the House the 125th through the 127th and the Senate the 128th through the 131st. The Honorable John Courtney who served in the House in the 121st and in the Senate in the 122nd through the 125th. The Honorable Barry Hobbins who served in the House in the 106th through the 111th and the 126th and 127th, and then served in the Senate in the 114th and then the 122nd through 125th. The Honorable Chris Johnson who served in the Senate from the 125th through the 129th. The Honorable John M. Kerry who served in the House in the 108th as well as in the Senate in the 110th and the 113th. The Honorable Dale McCormick who served in the Senate from the 115th through the 117th. The Honorable Earle McCormick who served in the House in the 121st and the 122nd, and served in the Senate from the 123rd through the 125th and in the 127th. The Honorable Robert E. Murray, Jr., who served in the House in the 111th - we seem to be missing him, but I'll still read his credentials - and who also served in the Senate from the 118th and the 119th. The Honorable Richard A. Nass, who served in the House in the 117th through the 120th and then served in the Senate from the 121st through the 124th. As well as the Honorable Richard W. Rosen who served in the 119th through

the 121st as well as the 122nd and 125th. As well as the Honorable Doug Thomas who served in the House in the 122nd through the 124th, as well as the Senate in the 125th and 126th. The Honorable Charlie Summers who served in the Senate from the 115th and 116th. The Honorable Bonnie Titcomb who served in the Senate from the 114th through the 116th. The Honorable Sharon Treat who served in the House from the 115th through the 117th, the 123rd through the 126th, and in the Senate from the 118th to the 121st. The Honorable Howard M. Trotzky who served in the Senate from the 107th through the 110th. We have the Honorable Norman Weymouth who served in the House from the 110th to the 113th and the Senate in the 114th. And we have the Honorable Richard Woodbury who served in the House from the 121st through the 123rd and in the Senate from the 125th through the 126th.

I do believe this is every former Member of the Body who we have returned today. If I have not called your name and you are a returning Member of the Senate, would you please rise? Yes, we did our work right.

It is a great honor to have all of you here with us today and to see so many great public leaders from over the years. Thank you for your years of service for the Senate and to the people of your district. Can we please have a round of applause for them?

The Chair is pleased to recognize former Senate officials who have served as the Secretary of the Senate and Assistant Secretary of the Senate. Please rise when your name is called and recognize and accept the greetings.

For Secretaries, would the Honorable Heather Priest please rise? Well, we'll clap for her when she comes in. And the Honorable Joe Carleton. For Assistant Secretaries, we have the Honorable Marcia Homstead, the Honorable Shawn Roderick, and the Honorable Brad Sawyer. Will they please rise and accept the greetings of the Senate?

Thank you so much for being here today and for all you gave to the Senate. I have always known that these positions are absolutely crucial to the functioning of this building, but until I stood at this rostrum, I didn't even fully understand how much they're responsible for making the magic happen.

The Chair is also pleased to welcome back the following Senate staff. Please rise when your name is called and recognized, and we'll clap and accept the greetings at the end of reading everyone's names. We have Anita Breton, Oneil Boivin, Carol Carothers, Christopher Jackson, Diane Jackson, Diane Johnson, Ashley Luszczki, Meredith McLaughlin, Andrew Roth-Wells, Max Rush, Meghan Russo, Sara Vanderwood, Jean Vachon, Krysta West, Emily Cook, Diane Steward, Rose Smith, and Robert Asselin. Would they please stand and accept the greetings of the Senate?

At this time, if you have worked as staff in the Senate and I missed your name, would you please rise? Two for two.

With that, thank you all sincerely for joining us today. I know that this building especially this time of year can feel a little bit chaotic but a day like today reminds us why we're here and the generations of people who have been through the exact same frustrations, joy, and learning that we all go through every single day. This does conclude our Welcome Back ceremony. Just as a reminder to the Chamber, lunch will be served for all of us at noon in the Hall of Flags and give us a chance to reconvene and reconnect with all those who have shared the same positions we're in today.

And the House is starting their ceremony. So, having seen that most of us have House and Senate service, I do urge all of

our Members to go to the House for the ceremony as well. With that, the Senate will be at ease.

Senate at Ease.

The Senate was called to order by the President.

Senator **MOORE** of Washington requested and received leave of the Senate that members and staff be allowed to remove their jackets for the remainder of this Legislative Day.

Out of order and under suspension of the Rules, the Senate considered the following:

ORDERS

Joint Orders

Expressions of Legislative Sentiment recognizing:

The Brunswick and Topsham Water District, of Topsham, which received the 2024 President's Award from the Maine Water Utilities Association. We extend our congratulations and best wishes;

SLS 554

Sponsored by Senator **TEPLER** of Sagadahoc.
Cosponsored by Senator: President **DAUGHTRY** of Cumberland,
Representatives: **MACIAS** of Topsham, **WEBB** of Durham.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Sagadahoc, Senator Tepler.

Senator **TEPLER:** Thank you, Madam President. Madam President, Colleagues of the Senate, Happy National Drinking Water Week.

This week is about celebrating the vital role that water plays in our lives and the importance of protecting the precious resource for future generations. An organization that provides clean, safe, and reliable drinking water in my district is the Brunswick and Topsham Water District. This vital community resource has not only provided clean water to thousands of Mainers for over a century, including me and you, Madam President, but has also been a faithful member of the community. The Brunswick and Topsham Water District is here today as they are the recipient of the Maine Water Utilities Association's 2024 President's Award for their dedication and commitment to the waterworks profession. And they've been waiting for us to acknowledge their presence in the Chamber since 10 o'clock this morning.

Some of the groundbreaking projects happening in the district include piloting and construction of a treatment addition to remove PFAS, designing two large diameter watermain crossings to improve resiliency and public communication and response to

the aqueous film-forming foam spill at Brunswick Landing last August. The district determined that there was no impact or immediate threat to the public water supply from the spill. They stepped up immediately, communicating with the community, monitoring the aquifers underground with vigilance for forever chemicals, collaborating with state agencies, and implementing rigorous testing to ensure the safety of our local water supply.

Chairing both the Environment and Natural Resources Committee and the Marine Resources Committee, I've seen firsthand the importance of protecting our natural resources and the tremendous work that goes into maintaining clean and safe water. The Brunswick and Topsham Water District sets a high standard for our community and the entire state of Maine. The employees of the Brunswick and Topsham Water District have shared their expertise and inspired and educated those who attended the annual meeting of water districts which was held in Topsham this year.

Madam President, we're glad to be able to welcome and support our local water district today. This is an organization that leads with integrity and community spirit. The water district has shown us what stewardship looks like, and I am proud to recognize their achievement and welcome them to the Chamber.

Thank you, Madam President.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the Chamber, general manager Craig Douglas, and district engineer T.C. Schofield from the Brunswick-Topsham Water District. Off the record, the Chair would note that my business would not be possible without their amazing water. They are here from the Brunswick-Topsham Water District and are the guests of the Senator from Sagadahoc, Senator Tepler, as well as the Senator from Cumberland, Senator Daughtry. Would they please accept the greetings of the Maine Senate?

Roger Pomerleau, of Hallowell, who has received the Lifetime Achievement Award from the Kennebec Valley Chamber of Commerce for his significant and lasting contributions to the local business climate and the well-being of the community. We extend our congratulations and best wishes;

SLS 555

Sponsored by Senator **HICKMAN** of Kennebec.
Cosponsored by Representative: **SHAGOURY** of Hallowell.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Hickman.

Senator **HICKMAN:** Thank you, Madam President, Women and Men of the Senate. Good morning. I rise to recognize Roger Pomerleau of Hallowell for winning the 2025 Lifetime Achievement Award from the Kennebec Valley Chamber of Commerce.

These annual awards, known as the Kenney Awards, are the Kennebec Valley's most prestigious business honors, according

to the Kennebec Journal. Roger is a human institution in the Augusta area business community. His experience includes working for his family's flooring distribution business, NRF Distributors, and founding and helping manage the Marketplace at Augusta. He's a lifelong volunteer and entrepreneur, starting his volunteer efforts at the early age of 13. At one point in his life, he was involved in 17 different groups, everything from Free Maine from Lung Cancer, the Hallowell Board of Trade, to the Snow Pond Center for the Arts and the Maine French Heritage Language Program. Roger has always been a hard worker who likes to stay busy. In his own words in 2017, he said, "volunteering and being so active in the community was therapeutic and rewarding."

The Lifetime Achievement Kenney Award recognizes someone for their significant and lasting contributions to the local business climate and the wellbeing of the community. Roger is an embodiment of this award, and I hope you will join me in thanking him for his decades of work in and service to our Kennebec Valley community.

Thank you, Madam President.

The Joint Order was **PASSED**.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the Chamber, Roger and Carol Pomerleau of the City of Hallowell. They are the guests of the Senator from Kennebec, Senator Hickman. Would they please rise and accept the greetings of the Senate?
