LEGISLATIVE RECORD

OF THE

Ninety-Third Legislature

OF THE

STATE OF MAINE

1947

DAILY KENNEBEC JOURNAL
AUGUSTA, MAINE

HOUSE

Monday, May 12, 1947

The House met according to adjournment, and was called to order by the Speaker.

Prayer by the Rev. Edna Knowlton of Augusta.

Journal of the previous session read and approved.

At this time there were no papers to be taken up under the regular order of business.

The SPEAKER: The House may be at ease while a supplement is being distributed.

The following matter was taken up out of order and under suspension of the rules:

House Divided Report

Majority Report of the Committee on Ways and Bridges on Resolve in favor of a Bridge Across the St. John River (H. P. 1231) (L. D. 835) reporting same in a new draft (H. P. 1762) under same title and that it "Ought to pass".

Report was signed by the following members:

Messrs. Welch of Aroostook
Crosby of Franklin

—of the Senate.

Hayward of Machias
Boulier of Stacyville
Sterlig of Caratunk
Turner of Leeds

—of the House.

Minority Report of same Committee reporting "Ought not to pass" on same Resolve.

Report was signed by the following members:

Messrs. Cross of Kennebec

—of the Senate.

Gallant of Shapleigh
Dean of South Portland
Holt of Bar Harbor

—of the House.

The SPEAKER: The Chair recognizes the gentleman from Stacyville Plantation, Mr. Boulier.

Mr. BOULIER: Mr. Speaker, I move the acceptance of the majority report of the committee.

The SPEAKER: The gentleman from Stacyville Plantation, Mr. Boulier, moves the acceptance of the majority report of the committee.

The Chair recognizes the gentleman from Machias, Mr. Hayward.

Mr. HAYWARD: Mr. Speaker and Members of the House: As you all

know, this is probably the only divided report which the Committee on Ways and Bridges has had this winter.

We who signed the majority "Ought to pass in New Draft" report feel it is justified. It sets up machinery in the same manner as the Chester bridge—Lincoln and Chester, and the new draft is "if and when" funds are available. The State will provide its funds when they are available, and also the county, as well as the towns. I hope it receives passage.

The SPEAKER: The Chair recognizes the gentleman from Limestone, Mr. Burgess.

Mr. BURGESS: Mr. Speaker, I want to go on record as favoring this bridge but I do want to ask the committee if it is a fact that this does or does not provide the funds.

The SPEAKER: The Chair recognizes the gentleman from Machias, Mr. Hayward.

Mr. HAYWARD: Mr. Speaker, answering the gentleman's question, there is a certain amount set up in that fund, and the fund goes as far as the number of bridges are drawn out of it through application to the Highway Department under the Bridge Act. I should imagine, although I cannot assure you, that if they got there first, they would have theirs. I cannot say as to whether there are funds enough under the Bridge Act in the Bridge Appropriation to take care of the enactment of these bridge resolves that this Legislature will put out.

The SPEAKER: The Chair recognizes the gentleman from Milo, Mr. Burton.

Mr. BURTON: Mr. Speaker, we have talked about raising money, and we have had much difficulty in doing that, with the exception of the gasoline tax and so forth. I would like to ask the gentlemen what they estimate this bridge is going to cost? What is it? Is it iron or wood? Should not we know in voting on this legislation, the approximate cost—I do not mean the penny cost, but the approximate cost.

Mr. BURGESS: Mr. Speaker, perhaps I can answer the gentleman's question. It is my understanding that this will be a wooden bridge. This resolve represents only the State's part of a so-called three way act bridge; town, county and state. The bridge itself is needed for not only the purposes of the

people who live in that community, but the activities of the lumber and pulp people who are operating beyond the St. John River.

In answer to the cost, I believe the resolve requests an appropriation of \$100,000, if my memory serves me correctly, which is the State's share by the so-called three-way act.

The SPEAKER: Is the House ready for the question? The question before the House is upon the motion of the gentleman from Stacyville, Mr. Boulier, that the House accept the majority "Ought to pass in New Draft" report of the Committee on Ways and Bridges on Resolve in Favor of a Bridge Across the St. John River. All those in favor will say aye; those opposed, no.

A viva voce vote being taken, the motion prevailed and the "Ought to pass in New Draft" report of the committee was accepted.

The SPEAKER: This is not a printed resolve. Is it now the pleasure of the House that the rules be suspended and the resolve be given its first reading at this time without printing?

The motion prevailed.

Thereupon, the resolve had its first reading.

The SPEAKER: Is it now the pleasure of the House that the rules be suspended and the resolve be given its second reading at this time?

The motion prevailed.

The resolve then had its second reading.

Thereupon, the resolve was passed to be engrossed, and on motion by Mr. Burgess, under suspension of the rules, the resolve was sent forthwith to the Senate.

Orders of the Day

On motion by Mr. Mills of Farmington,

The House recessed until 2:00 P. M., Eastern Standard Time.

After Recess

2:10 P. M. E. S. T.

The House was called to order by the Speaker.

On motion by the gentleman from Cape Elizabeth, Mr. Chase, the House voted to take from the table the first tabled and unassigned matter, House Amendment "A" to

Bill "An Act Imposing a Personal Income Tax and a Sales and Use Tax to Raise Additional Revenue" (H. P. 1761) (L. D. 1508) tabled by that gentleman on May 10th, pending adoption.

The SPEAKER: The Chair recognizes the gentleman from Auburn, Mr. Williams.

Mr. WILLIAMS: Mr. Speaker and Members of the House: I now move indefinite postponement of House Paper 1761, Legislative Document 1508 "An Act Imposing a Personal Income Tax and a Sales and Use Tax to Raise Additional Revenue."

The SPEAKER: The Chair will state to the gentleman that the motion to indefinitely postpone the Bill pending the adoption of the amendment is not in order. A motion to indefinitely postpone the amendment is in order.

Mr. WILLIAMS: Mr. Speaker, I move indefinite postponement of the amendment in that case. In making this motion, I would like to state that I believe the amendment would tie to this tax bill appropriations that will be taken care of by legislation already passed, and in adopting this amendment, tying these particular appropriations to a tax measure that probably would fail of passage would be to defeat many measures that we in this House feel are the most important things that we have considered this year.

The SPEAKER: The gentleman from Auburn, Mr. Williams, moves the indefinite postponement of House Amendment "A."

The Chair recognizes the gentleman from Portland, Mr. McGlauffin.

Mr. MCGLAUFLIN: Mr. Speaker, I raise no objection to that motion. You all well know that this is a measure that I never liked, but I proposed it because it looked to be the only way out. I am informed,—and I just want to pass this on to you, because I think you will be interested — as the matter now stands, the teachers would probably get their pensions; they will get about half of what we had hoped to give them. The Pownal Institute will get the \$400,000 that they need. The University of Maine will get the greater part of what we appropriated for them. The money appropriated for Castine, they will not get. The Portland Junior College will not get the \$100,000. But, on the whole, the greater part of the

measures that I so earnestly appealed for last week will be taken care of.

The SPEAKER: The question before the House is upon the motion of the gentleman from Auburn, Mr. Williams, that the House indefinitely postpone House Amendment "A."

Is the House ready for the question.

All those in favor will say aye; those opposed, no.

A viva voce vote being taken, the motion prevailed.

The SPEAKER: The Chair recognizes the same gentleman.

Mr. WILLIAMS: Mr. Speaker and Members of the House: I now move indefinite postponement of the bill, itself, Legislative Document 1508, "An Act Imposing a Personal Income Tax and a Sales and Use Tax to Raise Additional Revenue." In making this motion, I merely want to call your attention to the fact that we have passed a bill increasing the gasoline tax by two cents. We have passed a bill increasing the tax on cigarettes; this bill also places a tax upon tobacco products. And, if we should pass this particular bill, it would create additional taxation covering all sales and incomes after we have already provided for a minimum compromise program. It seems to me that this would be unwise at this time. I do not believe the people would support the bill if it were passed. The question has been raised as to the constitutionality of some provisions. There is, on the part of many city merchants, an objection to the sales tax on a gross receipts basis because of its effect on competition. It seems to me that no good purpose can be accomplished by passing the bill at this time.

The SPEAKER: The gentleman from Auburn, Mr. Williams, moves the indefinite postponement of Bill "An Act Imposing a Personal Income Tax and a Sales and Use Tax to Raise Additional Revenue". Is the House ready for the question?

All those in favor will say aye; those opposed no.

A viva voce being taken, the motion prevailed and the bill was indefinitely postponed.

The following papers were taken up out of order under suspension of the rules:

Non-Concurrent Matter

From the Senate: An Act to Provide for the Creation of a Liquor Research Commission (S. P. 363) (L. D. 1032) which was passed to be enacted by the House on April 8th and passed to be engrossed on April 1st.

Came from the Senate passed to be engrossed as amended by Senate Amendment "A" in non-concurrence.

In the House, on motion by Mr. Williams, a viva voce vote being taken, the House voted to recede and concur with the Senate.

Emergency Enactor Tabled

An Act to Make Allocations from the General Highway Fund for the Fiscal Years Ending June 30, 1948, and June 30, 1949 (S. P. 553) (L. D. 1509)

Was reported by the Committee on Engrossed Bills as truly and strictly engrossed and on motion by Mr. Mills of Farmington, was tabled pending passage to be enacted.

Finally Passed

Resolve Appropriating Money for a Dam on the Marsh River (H. P. 201) (L. D. 1511)

Was reported by the Committee on Engrossed Bills as truly and strictly engrossed, finally passed, signed by the Speaker and sent to the Senate.

The SPEAKER: The Chair at this time wishes to state that the House has acted upon all matters which have been presented to the House for action at this time. The Chair calls the members' attention to the fact that we were unable at this time to enact as an emergency the matter which has just been laid on the table, due to the fact that one hundred members are not present. It is vitally important that each and every member who is present at this time continue on until the conclusion of this session, and if you know of any members who are readily available, you should get in touch with them and call to their attention the fact that it is their duty to be here.

The Chair might add further that if we wish to facilitate the closing of this Legislature, that it will be necessary for us, during the remainder of this day, to recess from time to time, in order that we may act

upon such papers as come from the Senate in non-concurrence.

On motion by Mr. Mills of Farmington,

The House recessed until 4:00 P. M., E. S. T.

4:20 P. M., E. S. T.

The House was called to order by the Speaker.

The SPEAKER: Is it now the pleasure of the House to take up, out of order and under suspension of the rules the items listed in Supplement Number 3 to the House Advance Journal?

The motion prevailed.

The SPEAKER: The Chair would state at this time, that accompanying those matters are amendments which have been placed on the desks of the members, Filing Numbers 464, 465 and 466.

Non-Concurrent Matters

From the Senate: Resolve to Provide Funds for Clam Cleansing Research (H. P. 1620) (L. D. 1292) which was finally passed in the House on April 24th and passed to be engrossed as amended by Committee Amendment "A" on April 16th.

Came from the Senate passed to be engrossed as amended by Senate Amendment "A" in non-concurrence.

In the House: The House voted to recede and concur with the Senate.

From the Senate: An Act Relieving Towns from Care of Neglected and Dependent Children (S. P. 246) (L. D. 663) which was passed to be enacted in the House on April 24th and passed to be engrossed on March 28th.

Came from the Senate passed to be engrossed as amended by Senate Amendment "A" in non-concurrence.

In the House, on motion by Mr. Elliott of Corinth, the House voted to recede and concur with the Senate.

From the Senate: An Act to Provide Revenue for the Construction and Extension of Airports and to Regulate and Control the Expenditures Thereof (H. P. 1690) (L. D. 1408) which was passed to be enacted in the House on April 24th

and passed to be engrossed on April 17th.

Came from the Senate passed to be engrossed as amended by Senate Amendment "A" in non-concurrence.

In the House:

The SPEAKER: The Chair recognizes the gentleman from Portland, Mr. Bowker.

Mr. BOWKER: Mr. Speaker and Members of the House: To explain this amendment a little more fully, this amendment simply reduces the amount from \$125,000 a year to \$50,000 a year, and the money would come out of the airport refund gasoline tax money which is now \$90,000, and takes the money from that fund instead of taking it from the general fund, and I would move that we recede and concur.

The SPEAKER: Is it the pleasure of the House to recede and concur with the Senate in this matter?

The motion prevailed.

The SPEAKER: The Chair will state at this time that it is the understanding of the Chair that the Senate will no doubt recess sometime between the present hour and six o'clock fast time, and that they will reconvene this evening. The House will be unable to proceed until we receive additional papers from the Senate.

On motion by Mr. Mills of Farmington, the House recessed until 7:30 P. M. E.S.T.

After Recess

8:00 P. M. E.S.T.

The House was called to order by the Speaker.

The SPEAKER: Is it the pleasure of the House to take up, out of order, and under suspension of the rules, the items appearing on Supplement Number 4 of the House Advance Journal?

The motion prevailed.

Finally Passed

Resolve in favor of the town of Hebron (H. P. 1235) (L. D. 1510)

Resolve in favor of the town of Boothbay (H. P. 116) (L. D. 1282)

Were reported by the Committee on Engrossed Bills as truly and strictly engrossed, finally passed, signed by the Speaker and sent to the Senate.

An Act to Provide for the Creation of a Liquor Research Commission (S. P. 363) (L. D. 1032)

The SPEAKER: The Chair recognizes the gentleman from Greenville, Mr. Rollins.

Mr. ROLLINS: Mr. Speaker and Members of the House: The way that bill now is amended, I don't see any sense in cluttering up the statute books with it. It is a research committee without any appropriation to carry out its purpose, therefore I move the indefinite postponement of the bill.

The SPEAKER: The question before the House is upon the motion of the gentleman from Greenville, Mr. Rollins, that An Act to Provide for the Creation of a Liquor Research Commission be indefinitely postponed.

The Chair recognizes the gentleman from Augusta, Mr. Peirce.

Mr. PEIRCE: Mr. Speaker, I would like to speak briefly in opposition to the motion of the gentleman from Greenville (Mr. Rollins). Having sat on the Temperance Committee during this session, I believe that there are a great many problems dealing with liquor which an Interim Commission could solve or help to solve. Although there is no appropriation for this particular project, nevertheless, I believe that it could be considered of sufficient importance to spend a small amount of money from the contingent fund to carry out its purposes. Therefore I hope that the motion of the gentleman from Greenville (Mr. Rollins) to indefinitely postpone will not prevail.

The SPEAKER: The Chair recognizes the gentleman from Bath, Mr. McClure.

Mr. McCLURE: Mr. Speaker, I would go along with the gentleman from Augusta, Mr. Peirce, if this bill would help us to solve how to enforce this other bill in regard to drinking in public places. If not, I will go along with Mr. Rollins.

The SPEAKER: The Chair recognizes the gentleman from Greenville, Mr. Rollins.

Mr. ROLLINS: Mr. Speaker, I have just looked at the bill and the amendment. I say: What is the good of an Interim Research Committee with no funds? I cannot see any sense in it, unless you are going to have some of the liquor interests pay their expenses. I hope it is indefinitely postponed.

The SPEAKER: The Chair recognizes the gentleman from Augusta, Mr. Peirce.

Mr. PEIRCE: Mr. Speaker, it is my opinion that there are many public-spirited citizens of the State of Maine who would serve gratuitously on this committee in the interests of improving the administration of our liquor laws. It is very possible that not only the liquor interests but also the W. C. T. U. would be glad to contribute, if necessary, to carry out the purposes of this legislation.

The SPEAKER: The Chair recognizes the gentleman from Farmington, Mr. Mills.

Mr. MILLS: Mr. Speaker, the State of Maine has always distinguished itself in the study of the effect of alcohol on the human system. I remember when I was going to school that we had very fine charts showing what an ounce of liquor would do to the human stomach, and the various colors it would turn after one had indulged. I do not know that we have reached the full extent of our research in this matter, and it is very possible that this Commission can uncover some more information in regard to the use of liquor that we have not been able to get so far.

I am reminded of a Research that Billy Sunday performed on this subject. He was delivering one of his very eloquent sermons on the influence of liquor on the human system. As I recall it, Billy Sunday was a reformed inebriate, and he knew from first hand information. This particular day he had in front of him, on the rostrum, two glasses; one was filled with water, so he said, and the other one was filled with whiskey. Well, he took an angle-worm and dropped it in the glass of water. The angle-worm thrived and crawled around to some extent and showed how healthy it was after being immersed in aqua pura.

Then he very eloquently picked up another angle-worm, put it in the glass of whiskey, and immediately the angle worm shriveled up and died. He said: "There, my brethren, that is what happens to the human system when alcohol is used." An old fellow in the back of the room got up and said: "Pardon me, Brother Sunday, will you tell me what kind of whiskey that is?" Billy Sunday said: "That is 'Old Taylor'". The old fellow said:

"Thank you, my wife has had worms for twenty years." (Laughter)

The SPEAKER: The question before the House is upon the motion of the gentleman from Greenville, Mr. Rollins, that An Act to Provide for the Creation of a Liquor Research Commission be indefinitely postponed.

Is the House ready for the question? All those in favor will say aye; those opposed no.

A viva voce vote being doubted,

A division of the House was had.

The SPEAKER: Fifty-two having voted in the affirmative and twenty-one in the negative, the motion to indefinitely postpone prevails.

House at Ease

8:20 P. M., E. S. T.

Called to order by Speaker.

The SPEAKER: The Chair notes in going over the record of today's proceedings, that the gentleman from Cape Elizabeth, Mr. Chase, moves the suspension of Rule 25 while the House was in recess, so Rule 25 is in effect unless the gentleman from South Portland, Mr. Jordan, wishes to move that it be suspended.

Mr. JORDAN: Mr. Speaker, I move that House Rule 25 be suspended for the remainder of today's session.

The motion prevailed.

The SPEAKER: Is it now the pleasure of the House to take up out of order and under suspension of the rules the items appearing on Supplement Number 5 of the House Advance Journal?

The motion prevailed.

Non-Concurrent Matter

From the Senate: An Act Creating an Agency to Rehabilitate the Atlantic Sea Run Salmon (S. P. 510) (L. D. 1396) which was passed to be enacted in the House on May 6 and passed to be engrossed as amended by Senate Amendment "B" on April 30th.

Came from the Senate passed to be engrossed as amended by Senate Amendments "B" and "C" in non-concurrence.

In the House: The House voted to recede and concur with the Senate.

Senate Committee Report Ought Not to Pass

From the Senate: Report of the Committee on University of Maine reporting "Ought not to pass" on Bill "An Act to Create and Establish a Four-Year Medical School in the State of Maine to be Known as 'The Medical College of Maine,' a School of Medicine of the University of Maine" (S. P. 164) (L. D. 403)

Came from the Senate with the Bill substituted for the Report and passed to be engrossed as amended by Senate Amendment "A."

In the House:

The SPEAKER: What is the pleasure of the House?

The Chair recognizes the gentleman from Saco, Mr. Jordan.

Mr. JORDAN: Mr. Speaker, I move that we concur with the Senate.

The SPEAKER: The gentleman from Saco, Mr. Jordan, moves that the bill be substituted for the report. Is this the pleasure of the House?

The motion prevailed, and the bill was substituted for the "Ought not to pass" report of the committee.

Thereupon, the bill had its two several readings.

Senate Amendment "A" read by the Clerk as follows:

Senate Amendment "A" to S. P. 164, L. D. 403, Bill "An Act to Create and Establish a Four-Year Medical School in the State of Maine to be Known as 'The Medical College of Maine,' a School of Medicine of the University of Maine."

Amend said Bill by striking out all of the Title thereof, and inserting in place thereof, the following: "An Act Creating a Commission to Study the Need for a Medical School."

Further amend said Bill by striking out all after the enacting clause thereof, and inserting in place thereof, the following:

'Sec. 1. Commission, members; vacancies, how filled. There is hereby created a commission of 9 members to be appointed by the governor, with the approval of the council, as follows: 3 members from the board of trustees of the University of Maine on nomination by said board of trustees; 3 members from the Maine Medical Association upon nomination by the councillors of said Medical Association; 3 mem-

bers representing the public, residents of this state, to serve until completion of the duties hereby imposed; vacancies to be filled from selections made in accordance with the foregoing provisions.

Sec. 2. Duties. It shall be the duty of said commission to investigate and study:

I. The feasibility and desirability of the establishment, construction, equipping, operation and location of a medical school in the state of Maine;

II. The probable cost of such construction and equipping and the probable cost of operation of said school thereafter;

III. The possibility of financial aid from private sources, foundations and endowments;

IV. The probable number of students who might be expected to register for study in such a school if established and particularly the number of residents of Maine who might desire so to enroll.

Said commission shall consult with such architects, contractors and others having knowledge of building construction and make such payments to such persons, within the limits of the appropriation herein, as may be proper.

Sec. 3. Assistance. The commission is hereby authorized to employ whatever assistance it deems necessary to carry out the provisions of this act.

Sec. 4. Appropriation. For the purpose of paying the expenses of the commission in carrying out the duties hereby imposed, the sum of \$1,000 from the general fund of the state is hereby appropriated which shall be used in payment of the actual expenses of said commission or any member thereof in discharge of said duties and in payment for the services of such other persons as are authorized herein.

Sec. 5. Report. The commission shall report its findings and recommendations to the secretary of the senate of the 93rd legislature by December 1, 1948.

Senate Amendment "A" was adopted, and under suspension of the rules the bill was given its third reading and was passed to be engrossed as amended in concurrence.

Recommitted

From the Senate: Bill "An Act to

itures of State Government and for Other Purposes for the Fiscal Years Ending June 30, 1948, and June 30, 1949" (H. P. 1734) (L. D. 1475) which was passed to be engrossed in the House as amended by House Amendment "A".

Came from the Senate recommitted to the Committee on Appropriations and Financial Affairs in non-concurrence.

In the House: The House voted to recommit the bill to the Committee on Appropriations and Financial Affairs in concurrence.

House Committee Report

Mr. Hayward from the Committee on Ways and Bridges on the following Resolves:

H. P. 12. Resolve in Favor of the Town of Southport.

H. P. 13. Resolve in Favor of the Town of South Bristol.

reported a Consolidated Resolve (H. P. 1755) under title of "Resolve for the Maintenance and Repair of Roads and Bridges" and that it "Ought to pass."

Report was read and accepted, and the Resolve given its two several readings under suspension of the rules, passed to be engrossed and sent up for concurrence.

The SPEAKER: At this time the House may be at ease pending the sound of the gong.

9:35 E.S.T.

The House was called to order by the Speaker.

The SPEAKER: Is it the pleasure of the House to take up, out of order and under suspension of the rules, the items appearing on Supplement 6 of the House Advance Journal.

The motion prevailed.

Non-Concurrent Matter

From the Senate: Resolve in favor of the University of Maine for Buildings (H. P. 80) (L. D. 68) which was finally passed in the House on May 6th and passed to be engrossed as amended by House Amendment "A" in the House on April 30th.

Came from the Senate with House Amendment "A" indefinitely postponed and the Bill passed to be engrossed as amended by Senate Amendment "A" in non-concurrence.

In the House:

The SPEAKER: The Chair recognizes the gentleman from Caribou, Mr. Collins.

Mr. COLLINS: Mr. Speaker, I move we recede and concur with the Senate.

The SPEAKER: The gentleman from Caribou, Mr. Collins, moves that the House recede and concur with the Senate in passing this bill to be engrossed as amended by Senate Amendment "A". Is this the pleasure of the House?

The Chair recognizes the gentleman from Augusta, Mr. Fowler.

Mr. FOWLER: Mr. Speaker, I wonder if I might ask the gentleman through the Chair how much that leaves in this postwar reserve fund.

The SPEAKER: The gentleman may answer if he wishes.

Mr. COLLINS: Mr. Speaker, it is my understanding that in the program that has been submitted in the preliminary list, which I think many of the members have, the postwar fund is pretty well exhausted. As I understand it, it is about \$890,000, and I think that the items that are carried in the list cover about \$888,000. However, under the items that are covered, this building is in that list.

The SPEAKER: Is it the pleasure of the House to recede and concur with the Senate?

The motion prevailed.

Non-Concurrent Matter

From the Senate: An Act relating to Tuition for Pupils from Towns Not Maintaining a Standard Secondary School (H. P. 1651) (L. D. 1349) which was passed to be enacted in the House on May 7th and passed to be engrossed as amended by House Amendment "B" on May 2nd.
