Aviation.

Sec. 5. Duties.

The commission shall supervise and control all state airports and shall make such rules and regulations concerning the use of the said airports and their facilities as they deem necessary for the efficient management thereof and the development of aviation. The commission, with the consent of the governor and council, may lease facilities at state-owned airports on such terms as they direct. (1957, c. 229.)

Effect of amendment. — The 1957 amendment added the last sentence of the second paragraph. As the rest of the section was not changed by the amendment, only the second paragraph is set out.

Sec. 13. Registration certificates. — The commission is empowered to issue registration certificates for airmen, aircraft, landing areas, manufacturers or dealers and air carriers and establish the requirements for the terms, conditions and limitations of such certificates. A state registration certificate for airmen, aircraft, manufacturers or dealers and air carriers shall not be effective until in actual possession of the applicant and, except for manufacturer or dealer registration, shall always be carried on the person of the operator or occupant, or in some easily accessible place in or about the aircraft. A dealer registration certificate shall be displayed at a permanent place of business and a tag issued under the registration shall be carried in the aircraft. A state registration certificate for airmen, aircraft, manufacturers or dealers and air carriers shall remain in force until the 1st day of January next following the date of its issue, except that on and after December 25th of each calendar year it shall be lawful to use and display in aircraft, the aircraft and air carrier registration certificate or dealer tag issued for the next succeeding year. Aircraft registrations issued in any calendar year shall be valid for use and display until March 1st of the next calendar year, or until sooner suspended, revoked or cancelled. A state registration certificate of aircraft shall not be transferable.

IV. Exemptions.

- B.** an aircraft registered under the laws of a foreign country and not engaged in air commerce within the state; (1955, c. 161)
- C.** an aircraft not engaged in air commerce within the state which is owned by a nonresident and registered in another state, or otherwise qualified therein; (1953, c. 59. 1955, c. 161)

VI. Dealer registration certificates; application; fee. Every manufacturer or dealer in new or used aircraft may, instead of registering each aircraft owned or controlled by him, make application upon a blank provided by the commission for a dealer registration. The commission, if satisfied that the applicant maintains a permanent place of business in the state where said ap-

plicant will be principally engaged in the business of manufacturing, buying and selling of aircraft and is also satisfied with the other facts stated in the application, shall issue a certificate of registration. Such certificate of registration shall contain the name, place of residence and business of the applicant and the general distinguishing number assigned to him and made in such form as the commission may determine, and all aircraft owned or controlled by such applicant shall be regarded as registered under such general distinguishing number until sold, exchanged or operated for hire. To be eligible for the renewal of such aircraft dealer registration, the applicant must maintain in said state a permanent place of business where said applicant is principally engaged in the business of buying and selling aircraft. The annual fee for every such certificate of registration shall be \$15. The commission shall furnish applicant with 3 dealer aircraft tags free of cost, and upon payment of \$5 per tag additional dealer tags shall be furnished. On application for registration, or for additional tags applied for during the period between the 1st day of September and the 31st day of December in any year $\frac{1}{2}$ of the registration fee shall be charged. [1957, c. 116, § 2]. (R. S. c. 21. 1949, c. 389. 1951, c. 16, §§ 1, 2; c. 17, § 2; c. 264, § 5. 1953, cc. 57, 58, 59. 1955, c. 161. 1957, c. 116, §§ 1, 2.)

Effect of amendments. — The 1955 amendment added the words "and not engaged in the air commerce within the state" at the end of paragraphs B and F, and the words "or otherwise qualified therein" at the end of paragraphs C and G, of subsection IV.

The 1957 amendment inserted in the

first paragraph of this section all of the provisions relative to manufacturers and dealers and added subsection VI.

As only the first paragraph of the section, paragraphs B, C, F and G of subsection IV, and subsection VI were changed or added by the amendments, the rest of the section is not set out.

Sec. 20. Airport construction fund.—

II. State aid. The commission with the consent of the governor and council may, from the amount appropriated to aid in the construction, extension and improvement of state or municipal airports, known as the "Airport Construction Fund," grant to cities and towns separately and cities and towns jointly with one another or with counties an amount not to exceed 50% of the total cost of the construction, extension or improvement of such airport or airports. (1955, c. 372)

Effect of amendment.—The 1955 amendment deleted "25%" in line five of subsection II and inserted in place thereof "an amount not to exceed 50%." The amendment also deleted from the end of
