**Effect of amendments.**—The 1957 amendment numbered the former second, third and fourth paragraphs as subsections "I," "II" and "III," respectively, of the first paragraph and inserted in subsection III "in such form and at such times." It also rewrote the present second paragraph.

The 1959 amendment added the words "or purchased or produced in an uncontrolled area and sold in any market area" at the end of the first sentence in the third paragraph from the end of the section. As the last two paragraphs were not changed by the amendments, they are not set out.

### Sec. 7. Expenditure of funds.

**III.** 66 $\frac{2}{3}$ % of such moneys raised by assessments for the promotional, educational, experimental plans and the research and advertising purposes as determined by the Maine dairy council committee and for the compensation of and the expenses incurred by the Maine dairy council committee. **Effect of amendment.**—The 1955 amendment deleted the former second sentence of subsection III, which read: "All promotional and advertising plans shall be under

**Sec. 10. Constitutionality.**—If any section or other part of this chapter is, for any reason, held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this chapter. (1957, c. 384, § 16.)

#### Sec. 3. State soil conservation committee.—

**I.** The state soil conservation committee, as heretofore established, shall serve as an agency of the state and shall perform the functions conferred upon it in this chapter. It shall consist of the following 5 members: the dean of the college of agriculture and the state commissioner of agriculture, who shall serve *ex officio*; and 3 farmers who shall be appointed by the governor with the advice and consent of the council in the following manner: 1 from a list of 3 names submitted by the executive committee of the state grange, 1 from a list of 3 names submitted by the executive committee of the Maine farm bureau association and 1 from a list of 3 names submitted by the Maine state association of soil conservation district supervisors. The committee may invite the secretary of agriculture of the United States of America to appoint 1 person to serve with the above-mentioned members as an advisory member of the committee. The committee shall keep an accurate record of its official actions, shall adopt a seal, which seal shall be judicially noticed, and may perform such acts, hold such public hearings and promulgate such rules and regulations as may be necessary for the execution of its functions under the provisions of this chapter. (1955, c. 325)

**Effect of amendment.**—The 1955 amendment substituted "dean of the college of agriculture" for "director of the state agricultural extension service," "state commissioner of agriculture" for "director of the state agricultural experiment station," "Maine farm bureau association" for "state

farm bureau federation" and "Maine state association of soil conservation district supervisors" for "commissioner of agriculture," all in the second sentence of subsection I. As the rest of the section was not changed by the amendment, only subsection I is set out.
