Sec. 17. Preference in state employment for veterans.

II. Ten-point preference is a term applying to veteran preference which entitles the holder to an addition of 10 points to earned qualifying ratings in examination. The classes of 10-point preference are as follows:

A. Disability preference applies to honorably discharged veterans who establish by official records the present existence of a service-connected disability, and who are certified by the veterans administration to be disabled with a disability rating of more than 0%.

B. When veterans entitled to disability preference on the basis of service-connected disability cannot be directly benefited thereby because of being disqualified for appointment by reason of the physical disability on which the preference is based, 10-point preference may be granted to their wives instead. This constitutes "wife preference."

C. Ten-point preference is accorded to unmarried widows of deceased veterans who died while in the active service of the armed forces during any war, or who died as the result of service-connected disabilities.
