cation effective when written notification from the board is received by the hospital. (R. S. c. 64, § 7. 1953, c. 294, § 4. 1955, c. 167.)

Effect of amendment.—The 1955 amendment added the above paragraph at the end of this section. As original paragraph of the section was not changed by the amendment, it is not set out.

Chapter 72.

Registration of Chiropractors.

Sec. 4. Examination and registration.—Any person, before engaging in the practice of chiropractic in this state, shall make application for a certificate to practice chiropractic to the board on a form prescribed by said board. Said application shall be filed with the secretary of the board at least 7 days before the date of examination, together with a deposit of \$25, which said deposit shall be returned to applicant in case the application is rejected. Each applicant must be at least 21 years of age and shall present proof of 2 years' satisfactory attendance at a college of liberal arts. On and after the calendar year 1959 candidates for licensure shall be required to present transcripts from an accredited college or university certifying that they have completed 2 years of preprofessional work, 2 subjects of which must be English and biology, or otherwise satisfy the members of the board of sufficient prior academic education. The applicant shall also present a diploma granted by a legally chartered chiropractic college, school or university in good standing and having the power to confer degrees in chiropractic, which diploma shall show that it was granted on personal attendance of the applicant and completion of a course of 4 school years of not less than 8 months each and of a total of 4,400 60-minute school hours. All applicants must also present a certificate of good moral character signed by some reputable resident of this state and such other reasonable and proper facts as the board in its blank application may require. (R. S. c. 65, § 4. 1945, c. 12. 1953, c. 104, § 2. 1955, c. 152.)

Effect of amendment.—The 1955 amendment substituted "2 years" for "1 year's" in the third sentence and "1959" for "1957" and "2 years" for "1 year" in the fourth sentence.

Chapter 74.

Registration of Podiatrists.

Sec. 4. Examination; requirements.—Except as otherwise provided in this chapter, any person before engaging in the practice of podiatry shall be examined as to his qualifications. Each applicant shall, at least 10 days before the date of his examination, present to the secretary of the board of registration in medicine an application for a license to practice podiatry on a form prescribed by the examiners and containing satisfactory proof that said applicant is at least 21 years of age, of good moral character and that he has received a certificate of graduation from a legally incorporated, regular established school of podiatry, recognized by the council of education of the national association of chiropodists, having a minimum requirement of not less than 4 consecutive years of 8 months each of scholastic attendance, nor shall such applicant be entitled to registration and certificate unless such applicant shall have had, prior to the beginning of his course in podiatry, as a minimum requirement, a 4-year course in a recognized high school or its equivalent and 1 year in a legally recognized school or college of the liberal arts or of the sciences.

The applicant shall then be required to pass an examination in the subjects of anatomy, chemistry, dermatology, diagnosis, materia medica, pathology, physi-
