Chapter 78.

Board of Sanitation, Licensing and Inspection.

Sec. 1. Board of sanitation; duties.—The board of sanitation, licensing and inspection, as heretofore established, shall consist of the commissioner of agriculture, attorney general and director of health. They shall serve as members of said board without additional compensation.

The board shall, as far as possible, eliminate needless duplication, travel and other expense in examination, licensing and inspection services carried on by the bureau of health in the department of health and welfare and by the department of agriculture, and shall have full authority to perform all acts necessary to accomplish such purpose. Provided, however, that nothing contained in this chapter shall be deemed to give said board any authority to dispense with or transfer the inspection of milk and registration of milk dealers from the jurisdiction of the department of agriculture or to dispense with or transfer any other such services, except where duplication and unnecessary expense may be found to exist and where such services can reasonably be consolidated. (R. S. c. 71, § 1.)

Sec. 2. Transfer of funds. — Whenever the governor and council shall find that the state or any of its departments, divisions or bureaus is incurring expense and using funds of the state in connection with the carrying on of the work of any board or commission which collects fees from the persons so supervised and licensed, including salaries, travel and the expense of office equipment and supplies, they are authorized and empowered to transfer from any funds now or hereafter held by any such board or commission, such sums of money as shall reimburse the state or any department or bureau thereof for such expense so incurred, including a reasonable charge for office space, light and heat. Such sums so transferred shall be added to and become a part of the funds of the department, bureau or division incurring such expense. (R. S. c. 71, § 2.)

See c. 18, § 31, re funds held by treasurer of state for examining boards.
