Publisher's Foreword

This Supplement contains the Public Laws of Maine enacted at the regular legislative session of 1955, and annotations to the Constitution and Revised Statutes taken from Volume 150 of the Maine Reports.

The form of the Supplement follows that of the Revised Statutes. New and amended sections are inserted under the proper chapter headings. Chapter analyses show new subdivision headings and old subdivision headings which have been changed to conform to changes in the statutes. The effect of each amendment is given in brief form in a note following the section. Where only a portion of a section has been changed by an amendment, the remainder of the section often is not set out, but attention is called to this fact in the note stating the effect of the amendment.

The acts passed at the 1955 session of the Legislature and not passed as emergency measures or expressly made effective on a later date are effective, under Article IV, Part Third, § 16 of the Constitution, on August 20, 1955. Where a new section or an amendment appearing in the Supplement was passed as an emergency measure or made effective on a specified date, the effective date is stated in a note.

A table showing where the acts are codified and an index will be found in the Supplement to Volume 5.

Acknowledgment is made to the Frank Shepard Company for the use of its Maine Citations in verifying the citations to unofficial reports.
