To the Members of the 98th Legislature:

The Legislative Research Committee hereby has the pleasure of submitting to you a part of its report on activities for the past two years. This statistical report relates to the problem of county salaries and includes neither findings nor recommendations. Committee findings and recommendations relative to other matters assigned by action of the Legislature will appear in subsequent reports.

The Committee was unfortunate in the loss of two of its original members, the late Representative George D. Pullen and the late Representative Leroy M. McCluskey. In their deaths, the State of Maine has lost much valued leadership. We of the Committee gratefully acknowledge our indebtedness to their wisdom and their contributions to the work of the Committee.

It is the hope of the Committee that the information contained in this report will be of service to the Members of the 98th Legislature.

LEGISLATIVE RESEARCH COMMITTEE

By: Roy U. Sinclair, Chairman.
