**REMARKS.**

In the return from Belfast Bank, against the item of "balances due from other Banks," stands the sum of \$9,000 07; but to this item are added the words "and Agt.," so that neither the return nor the abstract shows the actual amount "due from Banks."

In the return from the South Berwick Bank, there is an item, interlined called "suspense account," against which stands "375 00," which amount is not included in the Abstract.

By the return from Union Bank, the resources of the Bank exactly balances the liabilities; but in fact the aggregate amount of the former exceeds that of the latter, in the sum of forty cents, as appears in the Abstract.

No return was received at this Office from the Central, Lincoln, Northern, Stillwater Canal, Thomaston and Washington County Banks, at the expiration of the time prescribed by law for making returns. But since this Abstract was prepared for the press, returns have been received from the Central, Northern, Thomaston and Washington County Banks, which are on file in this Office.
