## STATE OF MAINE.

---

**Resolve** for the publication and distribution of an Abstract of the Returns of Common Schools.

**RESOLVED**, That the Secretary of State be directed to cause an Abstract in tabular form, by Counties, to be made annually, of the Returns of Common Schools, made by the several cities, towns and plantations within this State, together with a statement of the population of each city, town and plantation, according to the last preceding census; and such comparisons of said returns, and of the population, and such deductions therefrom as may be usefully and conveniently made; and a statement of the dividend from the annual School Fund or Bank Tax, as shown by the returns of that year, also showing what School Books are used, so far as the same can be done from the returns.

**RESOLVED**, That it shall be the duty of the Secretary of State to cause a sufficient number of copies of the Abstract and statements aforesaid to be printed, and to forward by mail, or otherwise, to the Aldermen of the several cities, Selectmen of the several towns, and Assessors of the several plantations, one copy for each School District within such city, town or plantation. And such Aldermen, Selectmen and Assessors are hereby required, as soon as may be, on the receipt of such Abstracts, to distribute one copy thereof to each School District within such city, town or plantation.

[Approved March 20, 1859.]

† "There is a High School for boys consisting of between 50 and 60—a High School for girls consisting of between 70 and 80—and a Select School for girls consisting of between 70 and 80. These Schools are instructed by gentlemen.  
In Districts No. 2, 3 and 5 there is but one School, which is taught by a Master in the winter and by a Mistress in the summer.  
In District No. 4, there are two Schools, both taught by Mistresses in the summer,—and one by a Master in the winter and the other by a Mistress.  
There are but few children sent to Private Schools.  
There is a School kept during the winter months for apprentices, which continues fourteen weeks and which is attended by about 70 scholars.  
There is also a School at the Alms-house, for the children of the inmates.
