ADJUTANT GENERAL'S OFFICE,
Augusta, December 31st, 1868. }

*To His Excellency J. L. CHAMBERLAIN,
Governor and Commander-in-Chief :*

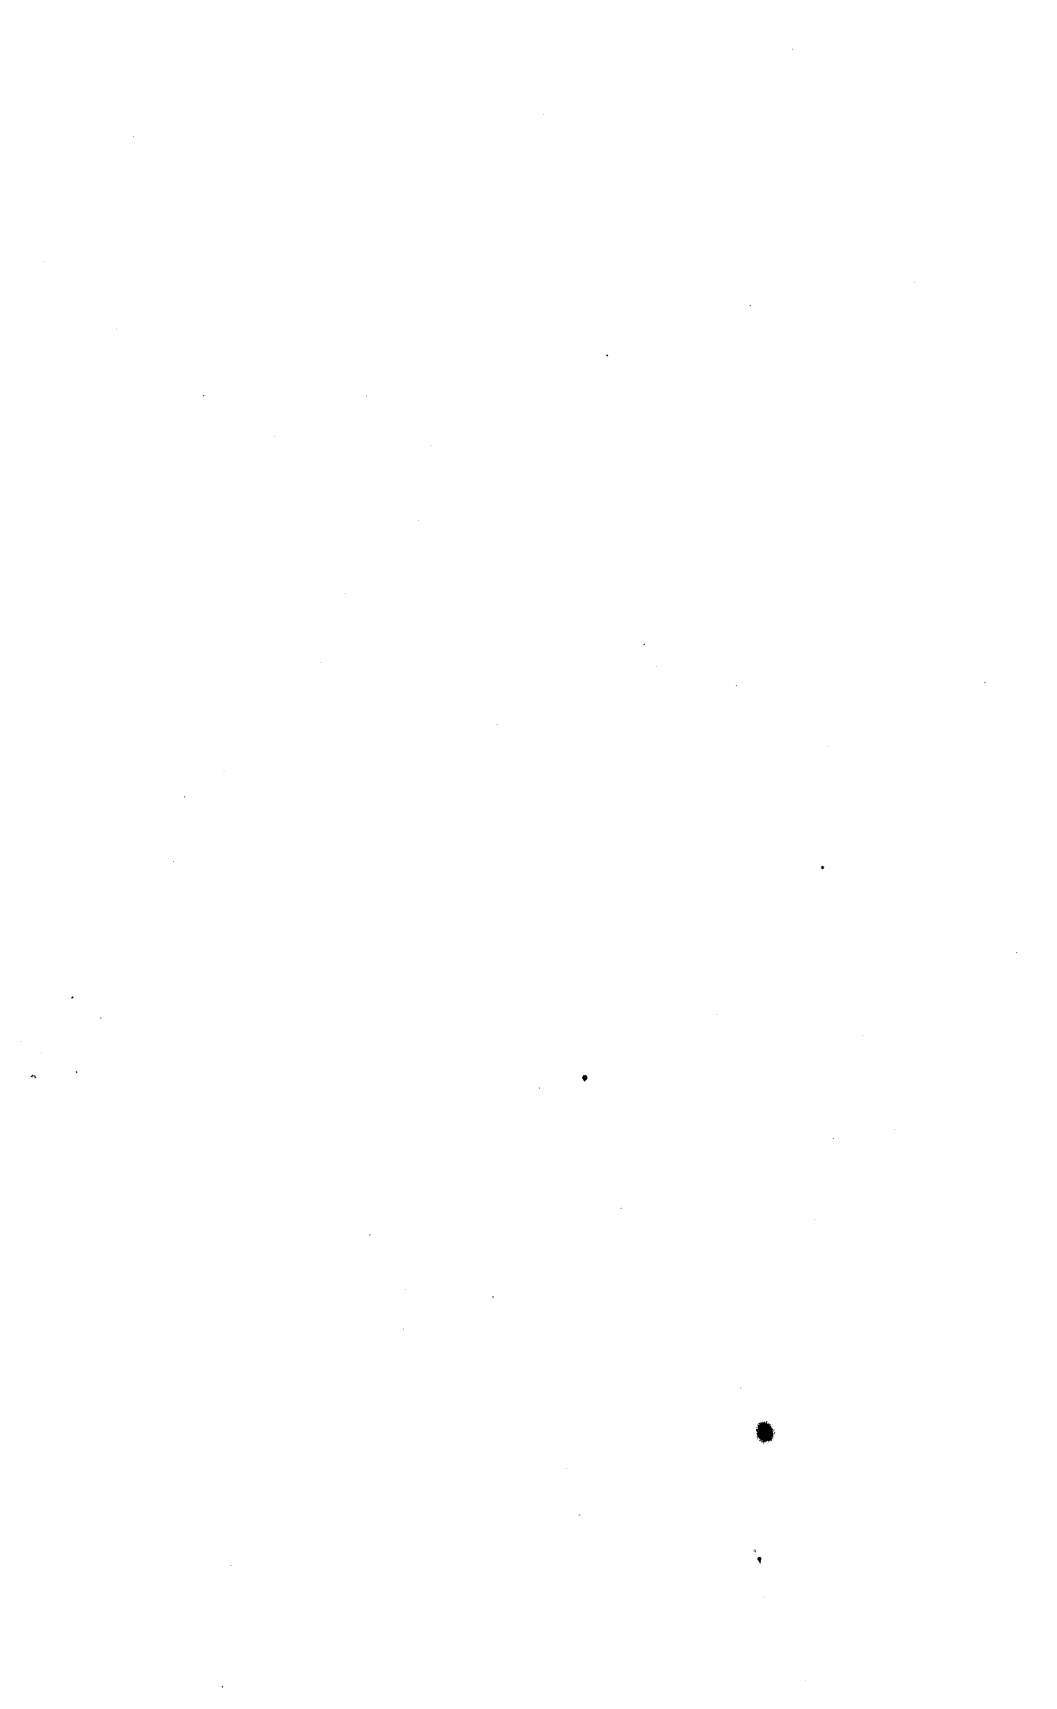

SIR :—I have the honor to transmit herewith my report as Adjutant General, and Acting Quartermaster and Paymaster General, for the year ending December 31st, 1868.

Very respectfully,

Your obedient servant,

JOHN C. CALDWELL.

Adjutant General.

REPORT.

TESTIMONIALS TO HONORABLY DISCHARGED SOLDIERS.

The Legislature, at its last session, passed the following act, which was approved February 24, 1868 :

AN ACT authorizing a testimonial of honor to be prepared and presented to all honorably discharged soldiers who served in the war of 1861, and to the widows or next of kin of such as have deceased, approved February 24th, 1868.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows :

SECTION 1. The Governor is hereby authorized to issue certificates of appropriate design to all soldiers who served in the war for the suppression of the rebellion, and have been honorably discharged, and to widows or next of kin of such as have deceased, said certificate to contain a transcript of the record in the Adjutant General's Office of the service of the soldier.

SECT. 2. The cost of said certificate shall not exceed, in the aggregate, the sum of two thousand dollars.

SECT. 3. This act shall take effect when approved.

In compliance with the provisions of this act finely engraved Testimonials have been prepared and issued to such honorably discharged soldiers as have made application for them.

As the value of these certificates would be greatly lessened, if they were issued to the unworthy, it was found necessary to examine carefully the record of each applicant, and give these Testimonials of the State's gratitude to such only as had borne an honorable part in suppressing the great war of the Rebellion.

On the first of January over eleven thousand of these certificates will have been issued, and the number of applicants does not sensibly diminish.

The labor involved in examining the records and sending out these Testimonials has been great. Although circulars have been sent to all the municipal officers of the State and notices inserted in the papers of every county, still there is no doubt that there are now thousands of soldiers in the State, who do not know that they are entitled to these certificates. I earnestly request that

all the members of the Legislature will bring to the notice of soldiers in their localities, the act above quoted, that they may secure these testimonials of the State's appreciation of their faithful and meritorious services.

To obtain them the soldier has simply to apply in writing, stating name in full, rank at date of discharge, company and regiment and post office address to the Adjutant General of the State, at Augusta, who will forward the certificate free of charge, if the applicant is found entitled thereto.

The value of these Testimonials will increase from year to year, and the next generation will show them with honest pride as evidence that their fathers bore an honorable part in the great war which saved the nation and secured the liberties of the people.

MILITIA.

In accordance with the provisions of Sections 16 and 17 of the act of 1865, the Commander-in-Chief in General Orders No. 2 and 3, dated respectively February 7, and May 27, recognized under their original charters, and retained as volunteer companies in the militia of the State the organizations known as the "Portland Mechanic Blues" and "Portland Light Infantry." These two companies constitute the entire organized militia of this State.

No returns of the enrollment of the militia subsequent to 1865 have been received at this office.

- I deem it important that we should have a few companies of militia conveniently located, who would be subject to the call of the Governor in case of any emergency.

I therefore respectfully recommend that a number of volunteer companies not to exceed six in all, be organized by the Commander-in-Chief, to be furnished by the State with arms, equipments and uniforms.
