TENTH ANNUAL REPORT  
OF THE  
INSURANCE COMMISSIONER.

PART FIRST.  
FIRE AND MARINE INSURANCE.

*To the Honorable Senate and House of  
Representatives of the State of Maine:*

The Insurance Commissioner has the honor to present the Tenth Annual Report of the Insurance Department of the State of Maine, in accordance with section fifty-six of the Insurance Law.

In 1876, the companies of other States and countries received in premiums in this State \$868,284.73, and paid for losses \$541,859.78, leaving a balance of \$326,424.95. In 1877, companies of the same class received in premiums \$847,111.36, and paid for losses \$557,847.39, leaving a balance of \$289,263.97, a loss of \$37,160.98 over the previous year.

Our Maine stock companies received in premiums in 1876, \$204,776.68, and paid for losses \$118,485.42, leaving a balance of \$86,291.26. In 1877, the same companies received in premiums \$244,135.76, and paid for losses \$154,408.19, leaving a balance of \$89,727.57.

The Maine mutual insurance companies paid for losses in 1876, \$61,650.60, and in 1877, \$56,062.89.

## MAINE INSURANCE COMPANIES.

At the close of the year 1877 there were forty-two fire, fire-marine and marine insurance companies organized under the laws of this State, and authorized to do business therein, of which one was stock fire-marine, two were stock marine, one was mutual fire-marine, one was mutual marine, and thirty-seven were mutual fire insurance companies.

The Patrons' Androscoggin Mutual Fire Insurance Company was the only new company organized during the year.

The Kennebunk Mutual Fire Insurance Company of Kennebunk, and the Boothbay Mutual Fishing Insurance Company of Boothbay retired from business.

The Bangor Insurance Company of Bangor withdrew from business on the first day of March, 1877, and selected Hon. J. S. Wheelwright to close up the business of the company. At the time it had risks in force of about \$24,000,000. The risks outside of New England were reinsured in the Commercial Union Assurance Company of London, England, and those in New England in the Shawmut Insurance Company of Boston, Massachusetts. The company was then owing for unpaid losses \$67,187.09. There has been paid of this amount \$51,541.94, leaving a balance of \$15,645.15. There is also due, for reinsurance, a balance of \$19,000, making liabilities of the company \$34,645.15. The assets of the company consist of cash \$1,552.51, and amount of notes, secured by mortgage, \$122,135.50. There can be no doubt but with a little patience creditors will be paid in full, and the stockholders will save a very respectable fraction of their stock.

## INSURANCE BROKERS.

There seems to be a misunderstanding with many as to what constitutes the business of an insurance broker. This is the law in regard to it:

## SECTION 51 of the Insurance Law of Maine.

SECT. 51. Any person may be licensed by the commissioner as insurance broker to negotiate contracts of insurance, and to effect insurance for others than himself for a compensation, and by virtue thereof he may

place risks or effect insurance with any insurance company of this State, or with the agents of any foreign insurance company who have been licensed to do an insurance business in this State, but with no other. For such license he shall pay the sum of five dollars, which shall authorize him thus to act until the first day of July then next; and on payment of the same fee his license may be renewed from year to year afterwards, ending annually on the first day of July. Any person without such license, assuming to act as such broker, shall forfeit not more than fifty dollars.

There can be no doubt but many persons in the State are transacting the business described in the foregoing section of the law without being in possession of a license. In many cases it may be done ignorantly, but it is nevertheless a violation of the statute, and renders a person liable to its penalties. Some agents are in the habit of sending out individuals to solicit risks for them, paying a percentage on the business thus obtained. Any person soliciting business in this manner is doing the business of an insurance broker, and, without a license, is liable to pay the penalty of fifty dollars.

An insurance broker is only the agent of the insured, and in no sense the agent of the company.

#### COMPANIES OF OTHER STATES AND FOREIGN COUNTRIES.

At the close of the year 1877, there were one hundred and one fire-marine and marine insurance companies of other States and countries authorized to transact business in Maine, of which ninety-five were stock and six mutual companies.

The following tables show the fire, fire-marine and marine insurance companies authorized to do business in Maine at date of this report, and the companies admitted, withdrawn and excluded since the date of last report :

## Sections 50 and 51 of the Insurance Law of Maine.

---

SECT. 50. No person shall act as agent of any insurance company until he has produced to the commissioner and filed with him a duplicate power of attorney from the company or its authorized agent, authorizing him to act as such agent. Upon filing such power the commissioner shall issue a license to him if the company has received a license to do an insurance business in this State; and such license shall continue until the first day of July then next, and may be renewed from year to year on producing a certificate from the company that his agency is continued. For each such license or renewal thereof the commissioner shall receive the sum of one dollar. And if any person solicits, receives or forwards any risk or application for insurance to any insurance company, without first receiving such license, or fraudulently assumes to be an agent, and thus procures risks and receives money for premiums, he shall forfeit not more than fifty dollars for each offence; but any policy issued on an application thus procured shall bind the company if otherwise valid.

SECT. 51. Any person may be licensed by the commissioner as insurance broker to negotiate contracts of insurance, and to affect insurance for others than himself for a compensation, and by virtue thereof he may place risks or effect insurance with any insurance company of this State, or with the agents of any foreign insurance company who have been licensed to do an insurance business in this State, but with no other. For such license he shall pay the sum of five dollars, which shall authorize him thus to act until the first day of July then next; and on payment of the same fee his license may be renewed from year to year afterwards, ending annually on the first day of July. Any person without such license, assuming to act as such broker, shall forfeit not more than fifty dollars.
