“The tabulations, from which the returns of votes for Governor were compiled for the MAINE STATE YEAR BOOK, for the year 1880, were made by the Committee on Gubernatorial Votes, of the ‘fusion legislature.’ They were presumed to be correct, but, subsequently to the publication of the Year Book, were found to contain many errors both in the detailed votes and footings. The returns have since been carefully tabulated by direction of the Secretary of State, and we give herein a copy of these tabulations, which must be correct in every particular.”

The above statement is made by the authority of the Secretary of State.
