The Legislature will perceive that the Treasurer has made no estimate for extraordinary expenditures for the year 1881, and if made on the usual liberal scale, it will largely increase the expenditures.

The State tax for 1879 was based on four mills of the valuation, and the tax for 1880, was five mills on the valuation of 1870. Estimating that the new valuation will be a slight increase on the old, the Treasurer would suggest that an assessment of four and one-half mills be the basis of the State tax for 1881.

No estimate of the receipts and expenditures has been made for the year 1882, as it will depend very much upon the action of the Legislature in relation to the matter.

Deducting the sinking fund, \$1,307,857, from the bonded debt, \$5,883,900, leaves the sum of \$4,576,043, as the indebtedness of the State on the bonded debt, and for which coupon or registered bonds are outstanding.

#### AGRICULTURAL COLLEGE FUNDS.

Section 4, chapter 130 of the statutes of the United States, approved July 2, 1862, provides that all moneys received from the sales of Land Scrip apportioned to the States, shall be invested in stocks of the United States, of the States, or some other safe stocks, yielding not less than five per cent., and that the money so invested shall be a perpetual fund, the capital of which shall remain forever undiminished, and the interest of which shall be inviolably appropriated by each State which may take and claim the benefit of the act, to the support and maintenance of at least one college.

The State by resolve of March 25, 1863, gave full assent to the provisions and conditions of the above act of Congress, and by resolve approved March 24, 1864, directed the State Treasurer to invest all money received from the sale of Land Scrip in the six per cent. stock of this State, and such stock with the interest accruing thereon, shall be inviolably held for the sole benefit of the Agricultural College.

During the year 1866, the State Treasurer invested in accordance with law, proceeds of the sale of Land Scrip, to the amount of \$104,500 in State of Maine six per cent. bonds; and included in this investment was \$30,000 bonds, which became due August 15, 1880.

To comply with the law in re-investing this \$30,000, the Treasurer would be obliged to purchase bonds in the open market, and pay a premium therefor of fifteen per cent., or more. The Treasurer would therefore suggest that he be authorized by the Legislature, to issue a State note in favor of the Agricultural College for \$30,000, bearing interest at the rate of six per cent., to take the place of the bond now past due.

By some inadvertance the usual appropriation for the payment of awards to the several Agricultural societies, as provided in chapter 58, section 10, revised statutes, was omitted from the appropriation bills made by the last Legislature, and that no serious inconvenience might occur to the parties interested, the Governor and Council, by their order of April 29, 1880, advised and requested the Treasurer to advance to the several societies the sum due each, relying upon a future Legislature for the payment of the same. The Treasurer, as thus advised and requested, has advanced the sum of \$5,131.85 to the several societies, and requests that this sum be inserted in the first appropriation to be made by the Legislature.

The act relating to the taxation of railroads was approved March 19, 1880, and the Governor and Council, by their certificate dated April 30, 1880, returned to this office the following taxes assessed upon the several railroads in this State for the year 1880, amounting to the sum of \$55,250.

Maine Central .....	\$22,000
Boston and Maine .....	18,000
Portland, Saco and Portsmouth.....	12,000
Lewiston and Auburn .....	1,000
Portland Horse .....	750
Aroostook River.....	400
St. Croix and Penobscot.....	400
Portland, Great Falls and Conway.....	350
Houlton Branch.....	250
Norway Branch.....	50
Whitneyville and Machiasport.....	50

The railroads above mentioned were duly notified of the assessment of the tax, but with the exception of the Portland Horse, Houlton Branch and Whitneyville and Machias roads, have all failed to comply with the request for payment.

The Treasurer of the Maine Central writes that the Directors of that road have been advised that the law is unconstitutional, and that if paid except by authority of the Court, the officers of the company would be liable—they therefore decline to pay the tax until the Court has passed upon its constitutionality.

The Treasurer of the Boston and Maine writes that having heard that the Maine Central had decided to test the constitutionality of the law assessing the tax, think they would not be justified in paying the tax while that question is pending.

The law provides that if any corporation fails to pay the tax required by the act, the State Treasurer may forthwith commence an action of debt in the name of the State for the recovery of the same, and the State Treasurer accordingly instructed the Attorney General to commence a suit; which was done against the Maine Central, September 11, 1880,

and entered at the October term of the Supreme Judicial Court for Cumberland county.

By agreement of parties the case was submitted to the full court to determine the constitutionality of law. The case was to have been argued and reach the court by the last of December.

Suits were commenced against the Boston and Maine, and Portland, Saco and Portsmouth railroads, October 4th, and will be entered at the January term, 1881.

The Governor and Council under the act relative to taxation of Telegraph companies, approved March 19, 1880, assessed the following taxes for the year 1880, upon the several companies in the State, as by their return to this office under date of April 30, 1880.

Western Union .....	\$2,500
International .....	1,500
Maine .....	1,250
Montreal.....	500
Atlantic and Pacific.....	125

The Maine, and Atlantic and Pacific companies have paid their tax, but the Western Union and International by their attorneys decline to pay the tax assessed upon them, and propose to contest its validity.

The act of March 19, 1880, authorized the Treasurer to procure a loan of \$307,000 to meet the payment of the Bonds of this State, maturing August 15, 1880. Bonds for the above amount were duly executed, and after setting aside \$157,000 of said Bonds to meet the wants of the sinking fund, the Treasurer advertised for proposals for \$150,000, being the balance to be issued in bonds payable as follows:

\$25,000 payable in .....	1881
25,000 " .....	1882
25,000 " .....	1883
25,000 " .....	1884
25,000 " .....	1885
25,000 " .....	1886, bearing

interest at the rate of four per cent. per annum, payable semi-annually; and in response to said advertisement, proposals to the amount of \$1,556,000 were received in offers from par to a premium of 1 82-100 per cent., for the whole loan advertised. The loan was awarded to the bidders of 1 82-100 per cent.,—realizing a premium to the State of \$2,730.00.

The Legislature, by resolve approved March 18, 1880, gave the Treasurer authority to make a temporary loan of \$300,000, or so much thereof as might be needed. As was anticipated, it became necessary to borrow, and a loan of \$50,000 was made August 13th, on five months, at an interest of  $3\frac{1}{4}$  per cent. per annum, and a loan of \$50,000 September 24th, on four months, at  $3\frac{1}{2}$  per cent., and on the 28th September a loan of \$100,000, on four months, at  $3\frac{1}{2}$  per cent. interest. These loans become due as follows:

\$ 50,000.....	January 13, 1881.
50,000.....	January 24, 1881.
100,000.....	January 28, 1881.
