The balance due on the loan for bounty to soldiers authorized by a resolve approved March 26, 1863, now amounting to \$385,000, falls due March 1, 1883, and provision must be made for meeting the same at maturity.

The Treasurer suggests that he be authorized to pay so much of the debt as the funds in the treasury will permit, and issue bonds to be invested in the sinking fund for the balance, payable in the years 1887 and 1888, at a rate of interest not exceeding four per cent.

As a precautionary measure, the Treasurer should be authorized at any time during the year 1883, to procure on

the faith of the State a temporary loan for so much as may be needed.

There has been no occasion during the past year for the Treasurer to avail himself of the resolve authorizing a temporary loan.

The rate of taxation for the years 1881 and 1882 was four and one-half mills on the dollar of the new valuation, and if no extraordinary appropriations are made by the Legislature, the Treasurer suggests that for the coming year the tax be reduced one-ninth, or to four mills.

On the 25th day of March, 1863, the following resolve was approved by the Governor :

Resolved, That the Treasurer of the State be authorized and directed to receive of Mahlan D. Spaulding, of the city of Boston, a bond of one thousand dollars against the State of Maine, and he and his successors in office to safely keep and pay to the legal agent of school district number two, in the town of Madison, in this State, the coupon in trust on said bond as it becomes due till the maturity of said bond, and after that time to pay to said school agent five per cent. interest on the amount of said bond for all time to come.

The bond referred to in the foregoing resolve falls due March 1, 1883, and it will be necessary for the Legislature to take action in relation to the matter.

There has been added to the trust fund of "Lands reserved for public uses" during the year 1882, the sum of \$1,748.39, being amount paid into the treasury by the Land Agent, at the following dates :

March 22.....	\$268 84

The total bonded debt of the State, after deducting the sinking fund, is \$4,178,715.
