# REPORT.

*To the Honorable the Governor and Executive Council of Maine:*

The State Bank Examiner has the honor to present the Twenty-Seventh Annual Report :

The number of savings banks and institutions of savings doing business in this State at the present time is fifty-four ; the Pembroke Savings Bank during the year having voluntarily closed its affairs and surrendered its charter.

The present number of depositors in the several banks is 101,822, of which 80,982 have to their credit a sum not exceeding \$500 each, and the average of the whole being \$308.10 to each depositor.

The aggregate amount of deposits November 1, 1883, was \$31,371,868.87. The number of depositors November 1, 1882, was 95,489, and the amount of deposits \$29,503,889.71, showing an increase during the year of 6,333 accounts, and \$1,867,979.16 in amount ; and a decrease in the average of each deposit of 77 cents.

The reserved fund has increased during the year \$81,203.08 and at this time has reached the amount of \$1,040,096.27, a sum equal to 3½ per cent. of the actual liabilities of the banks.

Regular semi-annual dividends have been paid by all of the savings banks as follows:

One bank	6	per cent per annum.
Four banks	5	" "
Five	" $4\frac{1}{2}$	" "
Four	" $4\frac{1}{4}$	" "
Forty	" 4	" "

The aggregate amount of these dividends was \$1,170,-450.55.

In addition to the regular dividends, the Machias Savings Bank, in October, declared an extra dividend as provided by chapter 47, section 106, Revised Statutes. The rate of this dividend was 3 per cent. and it amounted to \$7,507.35.

There remained in the savings banks November 1, \$860,-981.27 in undivided profits.

The savings banks of Maine had invested in United States bonds November 1, \$4,997,900.00, or \$649,257.46 less than at a corresponding date last year.

There are held \$586,500.00 of the bonds of the District of Columbia.

Only \$55,910.00 remain at the present time invested in the bonds of this State.

Investments in public funds, other than the bonds of the United States and of the State of Maine, have increased during the year from \$9,407,381.37, to \$10,287,412.51.

Of these \$987,850.00 are invested in the city and town bonds of this State.

There are held by the savings banks, of the county and city bonds of Ohio, \$3,220,100.00; an amount almost equal to the net debt of the State of Maine.

The savings banks hold \$2,273,400.00 of the public funds of Indiana, \$858,800.00 of the municipal bonds of Illinois,

\$655,000.00 of Missouri, \$237,000.00 of Iowa, \$240,200.00 of Kentucky, \$248,500.00 of Michigan, \$121,000.00 of New York and \$192,000.00 of Minnesota.

Smaller sums are invested in the municipal bonds of Massachusetts, New Jersey, Pennsylvania and Wisconsin.

In railroad bonds there are invested \$3,439,850.86 which includes \$1,670,700.00 of the railroad bonds of this State. The amount invested in railroad bonds has increased during the year \$749,310.93.

There was invested in bank stock November 1, 1882, \$1,408,307.83, and November 1, 1883, \$1,535,108.33; an increase the present year of \$126,800.50.

There are invested in corporation bonds, corporation stock, &c., \$1,064,971.96; an increase of \$14,007.75 over last year.

The amount of real estate owned by the savings banks has increased during the year from \$1,149,232.10 to \$1,222,-638.74.

Loans on mortgages of real estate have increased since November 1, 1882, only \$36,456.61, the present amount so invested being, \$5,216,929.17.

Collateral loans and loans to corporations have increased from \$3,964,905.83 November 1, 1882, to \$4,434,537.03 November 1, 1883.

The amount of cash on hand and on deposit,  
November 1, 1882 was..... \$872,799 58  
November 1, 1883..... 879,454 68  
Making an increase of uninvested funds of.... 6,655 10

Notwithstanding by the law relating to savings banks, enacted at the last session of the Legislature, the rate of taxation of deposits in savings banks was reduced one

quarter of one per cent., the revenue to the State from these institutions has decreased only \$14,982.25; the amount assessed the present year being \$175,107.14.

These figures would seem to justify the opinion expressed in the last annual report, that a reasonable reduction in the rate of taxation would increase rather than diminish the revenue to the State. The amount of tax which the savings banks will pay into the State treasury next year is likely to greatly exceed that of any previous year.

The municipal tax paid by the savings banks the present year amounts to \$14,299.67.

#### The People's Twenty-Five Cent Savings Bank of Bath.

This bank was so unfortunate as to have \$42,000.00 deposited in the Pacific National Bank of Boston at the time it made its last failure.

In consequence of this, a run was commenced upon this savings bank the 19th day of last January and on petition of the Bank Examiner, a temporary injunction was issued by Hon. Artemas Libbey, one of the Justices of the Supreme Judicial Court, enjoining the bank from receiving or paying deposits and appointing a hearing in the case the 17th day of March.

At this hearing a petition of the Trustees and Bank Examiner was presented to the Court praying that by proper decree, the account of each depositor be so reduced as to divide the loss *pro rata* among the depositors, thereby rendering the corporation solvent, so that its further proceedings would not be hazardous to the public or to those having or placing funds in its custody.

Thereupon the Court ordered the injunction continued and appointed the 10th day of April for a hearing upon this petition.

On April 10th the hearing was adjourned until April 20th.

By decree of the Court the deposit accounts were then reduced twenty per cent.

Upon this basis the bank is entirely solvent and safe.

### Savings Banks whose Affairs are being Settled by Receivers.

### The Portland Trust Company.

The Portland Trust Company, which was incorporated by an Act of the Legislature approved February 9th, 1883, has taken the preliminary steps of organization.

Rooms are being prepared for its occupation in the new building of the First National Bank of Portland, upon completion of which the corporation will perfect its organization and open its doors for business.

### The Somerset Loan and Building Association.

As provided by chapter 47, sections 132 and 133, Revised Statutes of Maine, application was made August 31 to the Bank Examiner for a certificate of authorization for the organization of the Somerset Loan and Building Association of Skowhegan; and in September its organization was completed by the election of twelve directors and the appointment of Levi W. Weston, President, Abel Prescott, Treasurer, and S. W. Gould, Secretary.

The Capital Stock is divided so not to exceed 3,500 shares of \$200.00 each.

The number of shares taken November 1 was 118.

But one loan had been made by the corporation at that date, it having been organized but about thirty days.

Nothing has occurred during the year to impair the confidence of the public in the savings banks of this State. On the contrary their trustees are selected from among the wisest business men in the communities where they are located and they are officered by persons acceptable to such trustees.

Through unmerited confidence in an institution which succeeded in deceiving careful and sagacious men all over New England, one bank has suffered a severe loss. That it was simply an error in judgment on the part of its management is conclusively apparent from the fact that their own private property to a large amount was intrusted to the same manipulation, by which they share a proportionate loss.

If such missing deposit book is not presented to said treasurer within six months after the last advertisement, then he shall issue a duplicate book of deposit to the person thus requesting the same, and such delivery of a duplicate relieves said bank from all liability on account of the original book of deposit so advertised.

SECT. 113. At such visits he shall have free access to the vaults, books and papers, and thoroughly inspect and examine all the affairs of each of said corporations, and make such inquiries as are necessary to ascertain its condition and ability to fulfill all its engagements, and whether it has complied with the law. He shall preserve in a permanent form, a full record of his proceedings, including a statement of the condition of each of said corporations, a copy of which statement shall be published by such corporation immediately after the examination of the same, in a newspaper in the place where it is established, if any, otherwise in a newspaper published in the place nearest thereto.

SECT. 120. The examiner may summon all trustees, officers or agents of any such corporation, and such other witnesses as he thinks proper, in relation to the affairs, transactions and condition thereof, and for that purpose may administer oaths; and whoever, without justifiable cause refuses to appear and testify when thereto required, or obstructs said examiner in the discharge of his duty, shall be fined not exceeding one thousand dollars, or imprisoned not exceeding two years.

SECT. 121. If, upon examination of any such corporation, the examiner is of the opinion that it is insolvent, or that its condition is such as to render its further proceedings hazardous to the public or to those having funds in its custody, he shall apply, or if, upon such examination, he is of opinion that it has exceeded its powers or failed to comply with any of the rules, restrictions or conditions provided by law, he may apply to one of the justices of the supreme judicial court to issue an injunction to restrain such corporation in whole or in part from proceeding further with its business until a hearing can be had. Such justice may forthwith issue process for such purpose, and after a full

hearing of the corporation, may dissolve or modify the in-junction or make the same perpetual, and make such orders and decrees to suspend, restrain or prohibit the further prosecution of its business, as may be needful in the premises, according to the course of proceedings in equity ; and he may appoint one or more receivers or trustees to take possession of its property and effects, subject to such rules and orders as are from time to time prescribed by the supreme judicial court, or by any justice thereof in vacation. Such receivers or trustees shall annually, in November, and at such other times as the examiner requires, make a report to him of the progress made in the settlement of the affairs of said corporation ; and the examiner shall seasonably give notice of the time and furnish blanks for the report.

After a decree of sequestration is passed, as provided in the preceding section, the court, or any justice thereof in vacation, shall appoint commissioners, who shall give such notice of the times and places of their sessions as the court or such justice orders ; receive and decide upon all claims against the institution, and make report to the court at such time as the court orders, of the claims allowed and disallowed and of the amount due each depositor, which shall be subject to exception and amendment, as reports of masters in chancery. SECT. 123. All attachments of the property of the bank shall be dissolved by the decree of sequestration, and all pending suits discontinued and the claim in suit presented to the commissioners, unless the court, or some justice thereof in vacation, on application of the

After decree of sequestration, no action at law —actions at law shall not be maintained, unless authorized by court or justice. shall be maintained on any claim against the bank, unless the court, or a justice thereof in vacation, on application therefor within the time above named, authorizes it, and in such case the receiver shall be made a party; any judgment recovered as herein provided shall —judgment recovered, to be added to claims. be added to the claims against the bank.

SECT. 124. All claims not presented to the commissioners within the time fixed by the court, or litigated as aforesaid, are forever barred. Claims, when barred. 1878, c. 45, § 3.

SECT. 125. Whenever a savings bank, institution for savings, or trust and loan association, is insolvent by reason of loss on, or depreciation in the value of any of its assets, without the fault of its trustees, the supreme judicial court, in term time, or any justice thereof, in vacation, shall, on petition in writing, of a majority of the trustees, and the bank examiner, setting forth such facts, appoint a time for the examination of the affairs of such corporation, and cause notice thereof to be given to all parties interested, in such manner as may be prescribed; and, if upon an examination of its assets and liabilities, and from other evidence, he is satisfied of the facts set forth in said petition, and that the corporation has not exceeded its powers, nor failed to comply with any of the rules, restrictions, and conditions provided by law, he may, if he deems it for the interest of the depositors and the public, by proper decree, reduce the deposit account of each depositor, so as to divide such loss pro rata among the depositors, thereby rendering the corporation solvent, so that its further proceedings will not be hazardous to the public, or those having or placing funds in its custody; and the depositors shall not draw from such corporation a larger sum than is thus fixed by the court, except as hereinafter authorized; *provided*, —proviso. however, that its treasurer shall keep an accurate account of

all sums received for such assets of the corporation held by it at the time of filing such petition ; and if a larger sum is realized therefrom than the value estimated as aforesaid by the court, he shall, at such times as the court prescribes, render to the court a true account thereof, and thereupon the court, after due notice thereof to all parties interested, shall declare a pro rata dividend of such excess among the depositors at the time of filing the petition. Such dividend may be declared by the court, whenever the court deems it for the interest of the depositors and the public, whether all, or only a portion, of such assets has been reduced to money ; and any such dividend may at any time, in the discretion of the court, be declared to be a final one. No deposit shall be paid or received by such corporation after the filing of the petition until the decree of the court reducing the deposits as herein —proceedings, provided. If the petition is denied, the bank if petition is denied. examiner shall proceed to wind up the affairs of the corporation as provided in section one hundred and twenty-one.

Examiner to make annual report to governor and council 1877, c. 218, § 37. SECT. 126. The examiner shall, annually, by the first day of December, make a report to the governor and council, of the general conduct and condition of each of the banks visited by him, making such suggestions as he deems expedient. Such report shall be printed and laid before the legislature at its next session, and one copy sent to each savings bank in the State by the Secretary of State.

Examiner to report violations of law 1877, c. 218, § 38. SECT. 127. If, in the opinion of the examiner, any savings bank or its officers or trustees have persistently violated any provision of this chapter, he shall forthwith report the same, with such remarks as he deems expedient, to the attorney general, who shall forthwith institute a prosecution therefor in behalf of the State. The —penalty. penalty for such violation, unless otherwise prescribed, is not less than one hundred, nor more than five hundred dollars.

SECT. 128. Savings banks and institutions for savings which have exercised the privileges thereof and done business as such for one year, shall be held to be legally organized. Institutions legally organized. 1877,c. 218,§ 39.

SECT. 129. The clerks thereof shall make return of the annual election of officers to the bank examiner, within ten days after their election and qualification. Clerks, annually to return election of officers. 1877,c. 218,§ 40.

SECT. 130. Whoever, not authorized by law, advertises his business as that of a savings bank, or receives deposits under pretence of conducting a savings bank, forfeits one hundred dollars for each offence; but nothing in this chapter prohibits any person from advertising his business as a banker, and offering to take and taking deposits to be loaned upon such terms and conditions as the depositor may prescribe. Punishment for unauthorized persons advertising business as a savings bank. 1877,c. 218,§ 41.

SECT. 131. The powers, privileges, duties and restrictions, conferred and imposed upon any savings corporation, by whatever name known, in its charter or act of incorporation, are so far abridged, enlarged or modified, that every such charter or act shall conform to this chapter; and every such corporation possesses the powers, rights and privileges, and is subject to the duties, restrictions and liabilities herein conferred and imposed, anything in their respective charters or acts of incorporation to the contrary notwithstanding. But nothing herein affects the legality of investments made, of transactions had, or the payment of interest at a rate not exceeding six per cent. on deposits made, prior to the dividend next following March eleven, eighteen hundred and seventy-seven. And said securities are valid in favor of the bank, pursuant to any law in force when such investments were made, or transactions had, and this chapter does not require the change of investments for those hereinbefore named, except as the same can be done gradually by the sale or redemption of the securities so invested in, in such manner as
