The total bonded debt of the State, after deducting the sinking fund, is \$3,439,800.

The trust fund for "lands reserved for public uses" has been decreased \$1,692.43, during the year 1884, by the payment of the principal due town of Brookton of \$1,146.92, and the payment of \$545.51, the principal due No. 3, R. 6, Stacyville, Penobscot County.

It is the opinion of the Treasurer that a State tax of three and three-quarters mills will be required for the year 1885.

S. A. HOLBROOK,

*Treasurer of State.*

# STATE OF MAINE.

---

TREASURER'S OFFICE, }  
AUGUSTA, January 22, 1885. }

*To the Honorable Governor and Council:*

The committee appointed by the Governor and Council, under authority of section 71, chapter 2, Revised Statutes, to examine the accounts of the State Treasurer, as embodied in his annual report for the year ending December 31, 1884, have carefully examined the books in the office of the State Treasurer and found them correctly cast and properly vouched. His statement and account of receipts and expenditures of the public money for said year, as stated in his report, were found to be correct.

The amount of cash on hand at the close of the year was one hundred and ninety-two thousand three hundred and nineteen and forty-one hundredths dollars (\$192,319.41). Of this sum one hundred and seventy-eight thousand and seventy-one and seventy-five hundredths dollars (\$178,071.75), was on deposit in sound and reliable banks, within the State, and in the Suffolk National Bank, Boston. The State receives interest on its deposits in banks out of the State. The revenue from that source last year amounted to two thousand two hundred and fifty-four dollars (\$2,254).

The committee, in compliance with law, destroyed, by burning, all coupons paid by the State Treasurer, on account of the public debt, during the year 1884, amounting to the sum of one hundred and sixty-six thousand two hundred and eighty-seven and thirty-three hundredths dollars (\$166,287.33), as

charged on his books, exclusive of one hundred and forty-nine thousand nine hundred and sixteen dollars (\$149,916), interest paid on registered bonds, vouchers for which were on file in his office.

The Committee also destroyed, by burning, in the presence of the Treasurer, the bonds of the State paid and those received for reissue during the year, amounting to the sum of four hundred sixty-four thousand dollars (\$464,000). Of that amount fifty-one thousand dollars (\$51,000) was the renewal of the war loan, and due August 15, 1884; and four hundred thirteen thousand dollars (\$413,000) were coupon and registered bonds received by the Treasurer for transfer and reissue; a certificate of their destruction, and the number of each bond destroyed was filed with the State Treasurer in compliance with law.

The sinking fund account, which is represented on the books of the office as amounting to one million eight hundred twenty-six thousand two hundred dollars (\$1,826,200), was found correct. The securities in which the sinking fund is invested were examined and found to agree with the Treasurer's statement of that fund.

The Committee find trust funds in the hands of the State Treasurer, deposited by the Union "Mutual Life Insurance Company" as required by chapter 49, section 57 of the Revised Statutes, for the benefit of all policy holders in said company, amounting to the sum of one hundred thousand dollars (\$100,000), and the same is invested in United States registered bonds. They also find in charge of the State Treasurer, trust funds held for the benefit of the Agricultural College, amounting to the sum of one hundred eighteen thousand three hundred dollars (\$118,300) invested in State of Maine bonds.

The books of the department are neatly and accurately kept, and the papers and vouchers pertaining to the business of the office were properly filed and numbered.

In their examination the Committee received valuable aid from the efficient State Treasurer and his assistants, which is gratefully acknowledged.
