EIGHTEENTH ANNUAL REPORT

OF THE

Insurance Commissioner.

PART FIRST.

FIRE AND MARINE INSURANCE.

To the Honorable Governor and Council:

The Insurance Commissioner presents Part First of the Eighteenth Annual Report of the Insurance Department of the State of Maine, in compliance with law.

MAINE INSURANCE COMPANIES.

The Maine stock companies received in premiums in 1884 \$330,052.95, and paid in losses \$259,466.75, leaving a balance of \$70,586.20. The Merchants' Marine Insurance Company of Bangor retired from business near the close of 1884, leaving the Ocean Insurance Company of Portland and the Union Insurance Company of Bangor, Maine stock companies in the field. This reduces the volume of business done by Maine companies materially. These two companies, in 1885, received in premiums \$180,661.82, and paid for losses \$142,588.07, leaving a balance of \$38,073.75, and making the ratio of losses paid to premiums received 86.14 per cent.

At the close of the year 1885, there were thirty-one fire, fire-marine and marine insurance companies organized under the laws of this State, and authorized to do business therein, of which two were stock-marine, one was mutual fire-marine, and twenty-eight were mutual fire insurance companies. There was no change in these companies during the year 1885, but February 24th, 1886, the Merchants' Insurance Company of Bangor, having been legally organized under an act of incorporation approved March 4, 1885, upon examination by the Commissioner, was duly authorized to commence business. This company, like the Ocean and Union, takes marine and inland risks, only.

The Ocean and Union Insurance companies have both been examined during the year past, as required by chapter 49, section 65, R. S., and their assets and liabilities were found to be in accord with their annual statements, abstracts of which appear in this volume.

The Maine mutual insurance companies received in premiums and assessments \$32,853.50, and paid for losses \$23,273.23 during 1885.

COMPANIES OF OTHER STATES AND FOREIGN COUNTRIES.

In 1884, the companies of other states and countries received in premiums in this State \$994,231.00, and paid for losses \$738,215.75, leaving a balance of \$256,015.75. In 1885, companies of the same class received in premiums \$1,004,590.34, and paid for losses \$574,741.23, leaving a balance of \$429,849.11, or a gain of \$173,833.36, from 1884. By this it will be seen that this class of companies have done a much more profitable business in Maine in 1885 than they did in 1884, the ratio of losses paid to premiums received being 74 per cent in the former year and 57 per cent in the latter.

The aggregate of risks written by companies of this class in Maine in 1884 was \$73,362,530.36, and in 1885 it was \$71,383,716.78. The amount of premiums received in 1884 was \$994,231, and at the same rate the amount of premiums re-

ceived for 1885 would have been \$967,410, instead of which it was \$1,004,590. Thus, while the actual increase of premiums received was \$10,359.34, the relative increase was \$37,-180. This indicates an increase of rates for 1885 as compared with 1884 of 3.88 per cent.

At the close of the year 1885, there were eighty fire, fire-marine and marine insurance companies of other States and countries authorized to transact business in Maine, of which seventy-eight were stock and two mutual companies.

The American, the Star and the New York Bowery, all of New York, withdrew during the year, and the United States Fire of New York, N. Y., and the Boatman's Fire and Marine of Pittsburg, Pa., entered the State during the year.

LICENSED BROKERS AND AGENTS.

LICENSED BROKERS AND LICENSED AGENTS OF FIRE, FIRE-MARINE
AND MARINE INSURANCE COMPANIES AUTHORIZED TO
TRANSACTION BUSINESS IN THE STATE OF MAINE.

SECTIONS 73 AND 74, CHAPTER 49, REVISED
STATUTES OF MAINE.

'SECT. 73. [As amended in 1885.] No person shall act as agent of an insurance company until there has been filed with the commissioner a duplicate power of attorney from the company, or its authorized agent, empowering him to act, or a certificate from the company setting forth that such person has been duly appointed and authorized as agent thereof. Upon filing such power or certificate the commissioner shall issue a license to him, if the company is a domestic company or has received a license to do an insurance business in this state; and such license shall continue until the first day of the next July, and may be renewed from year to year on producing a certificate from the company that his agency is continued. For each such license or renewal, the commissioner shall receive one dollar. And if any person solicits, receives, or forwards any risk or application for insurance to any company, without first receiving such license, or fraudulently assumes to be an agent, and thus procures risks and receives money for premiums, he forfeits not more than fifty dollars for each offence; but any policy issued on such application, binds the company, if otherwise valid.'
