DAVID H. STEVENS
STATE TAX ASSESSOR

State of Maine
Bureau of Taxation
Augusta

November 15, 1946

To the Members of
The 93rd Legislature

Gentlemen:

I am forwarding to you herewith, report covering rights in timber and grass on reserved lands now owned by the State.

No effort has been made to check the records in the Registry of Deeds but the report covers a careful check of the records in the Bureau of Taxation and the Forestry Department on this subject. Rights in timber and grass are explained in terms of acres, it being understood the State of Maine holds title to all of the land herein listed. A summary of the rights in timber and grass now owned by the State of Maine, together with those in taxation will be found in the back of the report.

It is believed this report contains the best record of the State's ownership of rights in timber and grass obtainable from existing records. If any additional information is desired it will be necessary to do one or both of the following: First, check the deeds involved in each Registry of Deeds: Second, set off those Public Lots on the face of the earth which are not now located.

Respectfully submitted,

David H. Stevens

State Tax Assessor
