2015 MUNICIPAL VALUATION RETURN STATISTICAL SUMMARY

Maine law requires the State Tax Assessor to establish annually the equalized just value of taxable property in each municipality. Several state agencies use these values for various purposes, including allocation of money appropriated for State General Purpose Aid for Education, State Revenue Sharing to municipalities and county tax apportionment.

The state valuation process includes the preparation of a statistical summary of certain municipal information that municipal assessing officials must report to Maine Revenue Services. The bureau compiles information detailing valuations and exemptions by selected categories, assessment ratios and tax rates, broken down by municipality.

The data on the following pages is a compilation of the Municipal Valuation Return filed by each municipality. Errors found in this summary should be reported to the Property Tax Division at 207-624-5600.
