Re: Quasi-Independent State Entity Report of  
Maine Municipal and Rural Electrification Cooperative Agency

Dear President Alfond and Speaker Eves:

DIRIGO, the Association of the state consumer and member owned utilities, formed the Maine Municipal and Rural Electrification Cooperative Agency (MMRECA) as a vehicle for promoting joint action among the state's eight consumer owned utilities. The officers of DIRIGO serve as the officers of MMRECA. The members of DIRIGO participating in MMRECA activities fund all costs of those activities. MMRECA receives no State funding. DIRIGO sees an inherent value in maintaining MMRECA even though it has not been active in the past years. The electric utility "business" was historically stagnant, but with the ever continuing changes that have taken place and that are likely to occur in the future, DIRIGO believes it needs all of the mechanisms available to it to meet any new challenges and be able to provide the best possible service to our consumer owners and members.

In compliance with 5 M.R.S.A. §12023 MMRECA provides the following response. The MMRECA did not adopt policies regarding vendor selection, contributions, and travel, meals and entertainment. MMRECA commits that it will put in place such policies prior to engaging in associated activities. MMRECA has not retained a lobbyist.

If you have any questions please do not hesitate to contact the undersigned.

Sincerely,

S/Scott M. Hallowell  
MMRECA
