Honorable Ryan Fecteau  
Speaker of the House  
2 State House Station  
Augusta, Maine 04333

Dear President Daughtry and Speaker Fecteau:

Pursuant to M.R.S.A. Title 5, section 12023, the Sunrise County Economic Council (SCEC) is pleased to submit the 2024-2025 Quasi-Independent State Entities Report to the Legislature on behalf of the Washington County Development Authority (WCDA). SCEC is a nonprofit organization that works to create jobs and prosperity in Washington County; we are also the economic development arm of Washington County government. We provide staff support for the WCDA and are partnering with the Authority in its effort to redevelop the former U.S. Navy base in Cutler.

The former U.S. Navy Base in Cutler is comprised of roughly 15 acres and five commercial buildings comprising 75,000 square feet. The Authority is working to bring these facilities back to productive use. Most of the Authority's focus in the past year has been related to the assessment and remediation of hazardous substances in the former recreational and administrative buildings. The Authority also made repairs to the other buildings to keep them weathertight.

In 2024-2025, WCDA used procurement by a competitive bid process to secure contractors for the cleanup work and repairs.

The Authority made no procurements of over \$10,000 for which competitive procurement was waived. WCDA did not make any contributions greater than \$1,000 or changes to policies and procedures in the past year.

Please contact me with any questions or concerns. Thank you.

Sincerely,

Charles J. Rudelitch, Esq.  
Executive Director
