weir fishermen this session. In its original form, this bill would have repealed the requirement that the Commissioner of Marine Resources determine that purse seining will not create a hardship to fixed gear fishermen or unduly deplete the resource before allowing purse seining in Washington County. The final bill repealed this, and also changed the closed season from April 10 through October 15th to April 15th through September 30th. This is a compromise of between the positions advocated by the fixed and mobile gear fishermen.
