AN ACT TO REMOVE THE BUREAU OF AL- Danton \* OTP  
COHOLIC BEVERAGES FROM UNDER THE DE-  
PARTMENT OF FINANCE AND ADMINISTRATION

SUMMARY: ID 899 proposed to remove the Bureau of Alcoholic Beverages from under the jurisdiction of the Department of Finance and Administration and place it under the State Liquor Commission. In addition, the bill proposed to remove the Division of Liquor Enforcement from under the Department of Public Safety and place it under the State Liquor Commission. The bill also proposed to increase the State Liquor Commission from 3 to 5 members. The primary purpose of the bill is to provide a consistent policy with respect to the administration, control, and enforcement of the State's liquor laws and liquor policy. These responsibilities were divided among several departments and agencies.

The bill was reported out in new draft ID 1574 which kept the Division of Liquor Enforcement under the Department of Public Safety. There was concern that an organization with policy, regulatory, and enforcement authority might not be for the best public interest.
