STATE OF MAINE
ONE HUNDRED AND ELEVENTH LEGISLATURE
FIRST REGULAR SESSION

JOINT STANDING COMMITTEE ON
ENERGY AND NATURAL RESOURCES
BILL SUMMARY

JULY, 1983

Prepared by:

John Bailey, Legislative Assistant
Energy & Natural Resources Committee

Office of Legislative Assistants
State House, Station 13 Augusta, Maine 04333
(207) 289-2486

grant that permission. Legislative approval constitutes approval under the site location of development laws.

1061 AN ACT TO CREATE AN EMERGENCY PETROLEUM RESERVE FOR THE STATE McGowan LV/WD

SUMMARY: This bill represents an updating of Maine law to reflect changes in the Council of State Government's Model Radiation Act that are appropriate for the administration of an adequate state radiation protection program. The Department of Human Services is designated as the Radiation Control Agency and is responsible for coordinating radiation activities. An Advisory Committee on Radiation may now be appointed by the Governor to make recommendations to the commissioner and furnish advice, as requested, on matters relating to the regulation of sources of radiation. Appropriate departments are assigned to coordinate administration of related issues. Other sections of the bill address licensing, DEP jurisdiction, user fees, training programs, record maintenance, federal-State agreements, judicial review and penalties.

1092 AN ACT TO ENCOURAGE PUBLIC ACCESS TO SHORELAND Mitchell, J LV/WD

1107 AN ACT TO ESTABLISH A COMMISSION ON MAINE'S ENERGY FUTURE Curtis LV/WD

1162 AN ACT TO PROVIDE MUNICIPAL AUTHORITY OVER SITING RADIO-ACTIVE WASTE FACILITIES Shute LV/WD

1195 AN ACT TO REVISE THE STATUTES RELATING TO RADIATION CONTROL Kany PL 1983, c. 345

SUMMARY: This bill represents an updating of Maine law to reflect changes in the Council of State Government's Model Radiation Act that are appropriate for the administration of an adequate state radiation protection program. The Department of Human Services is designated as the Radiation Control Agency and is responsible for coordinating radiation activities. An Advisory Committee on Radiation may now be appointed by the Governor to make recommendations to the commissioner and furnish advice, as requested, on matters relating to the regulation of sources of radiation. Appropriate departments are assigned to coordinate administration of related issues. Other sections of the bill address licensing, DEP jurisdiction, user fees, training programs, record maintenance, federal-state agreements, judicial review, and penalties.
