STATE OF MAINE
ONE HUNDRED AND ELEVENTH LEGISLATURE
FIRST REGULAR SESSION

JOINT STANDING COMMITTEE ON
Marine Resources

BILL SUMMARY

JULY, 1983

Prepared by:

John Bailey, Legislative Assistant
Marine Resources Committee

Office of Legislative Assistants
State House, Station 13 Augusta, Maine 04333
(207) 289-2486

conditions: First, that the United States Department of Interior, Fish and Wildlife Services consent to use of smolt raised under joint federal-state programs for this purpose and, 2nd, the Ocean Products, Inc., convey back to the State of Maine 100,000 smolts plus interest within 5 years.

|------|--|------------|--------------|
| 1214 | AN ACT CONCERNING THE USE OF PURSE SEINES IN WASHINGTON COUNTY | Scarpino | ENACT PL 108 |
| 1242 | AN ACT TO ESTABLISH A RECREATIONAL LOBSTER FISHING LICENSE | Zirnkilton | LV/WD |
| 1292 | AN ACT TO CLARIFY CERTAIN PROVISIONS OF THE MARINE RESOURCES LAW | Crowley | ENACT. EMER. |

SUMMARY: This bill was submitted by the Department of Marine Resources to clarify laws they administer.

The first section authorizes the Deputy Commissioner to act on aquaculture leases.

The second section authorizes the Department to lease contiguous 5 acre tracts, up to a maximum of 200 acres, for aquaculture.

The third and fourth sections remove the advisory council from aquaculture licensing. In their present role, the Administrative Procedures Act prohibits them from taking talking to affected parties, which reduces their advisory role.

The fifth section amends the commercial fishing license by making it possible for a person to catch bait for personal use without buying a license. This exemption was overlooked when the law revision took place in 1979. It is consistent with other permitted activities in this statute.

The last section amends Title 12, section 6621, which was enacted to allow the holder of aquaculture leases to handle and transplant shellfish during paralytic shellfish poisoning closures. Since then, regulations have been adopted that permit this activity and this law is no longer needed.

| 1298 | RESOLVE, AUTHORIZING THE DEPARTMENT OF MARINE RESOURCES TO SELL THE RESEARCH VESSEL CHALLENGE AND TO CONVERT THE FISHING VESSEL JUBILEE | Brown, L | RESOLVE 29 |
|------|---|----------|------------|

SUMMARY: Authorizes the Department of Marine Resources to sell the research vessel challenge, and establishes a dedicated account to be used to convert, recondition and maintain the vessel jubilee as a research vessel. The jubilee is a larger, more substantial vessel that will assist the department in its research and law enforcement responsibilities.
