STATE OF MAINE  
ONE HUNDRED AND ELEVENTH LEGISLATURE  
SECOND REGULAR SESSION

JOINT STANDING COMMITTEE ON  
HEALTH AND INSTITUTIONAL SERVICES  
BILL SUMMARY

MAY, 1984

Prepared by:

Christine Holden, Legislative Assistant  
Office of Legislative Assistants  
State House, Station 13      Augusta, Maine 04333  
(207) 289-2486

The Department of Human Services opposed the bill, primarily on the basis of the cost to the State Medicaid program. They also argued that current reimbursement levels had not led to a decrease in the number of providers.

The Committee discussed possible amounts of increase, but the Department objected to the Legislature setting a specific fee schedule. The compromise was to increase the funds allocated to the Emergency Medical Services portion of the Medicaid budget.

2172	AN ACT TO CORRECT ERRORS AND INCONSISTENCIES IN THE SCHOOL IMMUNIZATION LAW AND OTHER RELATED LAWS		HSE-ENACT SEN-ENACT GOV-SIGNED PL 83, c. 661
------	---	--	---

**SUMMARY:** The new draft of LD 1869 updated language and repealed conflicting provisions in the School Immunization Law in Title 20-A so it may be read clearly with the public health provisions of Title 22.

It required superintendents to notify the Department of Human Services of communicable diseases.

It repealed the current sections on immunization, and rewrote them to include new definitions, a clearer statement on record-keeping, a requirement of an annual report on the immunization status of students in each school (to be submitted to the Director of the Bureau of Health and to the Commissioner of Educational and Cultural Services) and the promulgation of joint rules.

2186	AN ACT TO ESTABLISH FARM PROGRAMS AT CORRECTIONAL FACILITIES	McHenry	OTP-A HSE-ENACT SEN-ENACT GOV-SIGNED PL 83, c. 724
------	--	---------	--

**SUMMARY:** There was no opposition to this bill, which permits a farm program to be established at each correctional facility, specifies the disposition of the products and revenue and establishes a special account.

The Committee Amendment (H-566) further expands the opportunities for disposition of surplus products, and makes clear that there is no legislative intent that a state program adversely impact private businesses.
