SUMMARY:

LD 574 proposed to establish the Friday before Memorial Day as the termination date for the First Regular Session and March 31st as the termination date for the Second Regular Session of the Legislature. LD 574 eliminates the ceilings of 100 legislative days and 50 legislative days for the First and Second Regular Sessions respectively. The bill proposes to make the new provisions effective immediately.

In addition, the Legislature, by a 2/3 vote, could vote to extend the adjournment date for no more than 5 days, excluding Saturdays, Sundays, and holidays for emergencies only.

The purpose of the bill is twofold. One purpose is to provide the general public with a specific date by which legislative business will be completed. The second purpose is to incur savings resulting from shorter sessions.

The Committee voted to use LD 408 as the "vehicle bill" for legislation establishing a limit on legislative sessions.
