JOINT STANDING COMMITTEE  
BILL SUMMARIES  
JULY 1985

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature, covering the First Regular Session of the 112th Legislature. The summaries are arranged by LD number and indexed separately by committee.

administrative units which receive tuition students from the unorganized territories to charge up to 110% of the State per student average, other units can only charge up to the State average.

S-234: This Senate Amendment added an appropriation for this cost which will be recovered by the property tax assessed in the unorganized territory.

S-365: This amendment goes back to the present language of calling the funds the "Unorganized Territory School and Capital Working Funds."

SUMMARY:

The bill would have given the Commissioner of Education the authority to recommend to the State Board candidates for the directors and assistant directors at the Vocational-Technical Institutes (VTIs). These directors and assistant directors would then serve at the joint pleasure of the commissioner and the state board.

This would have been almost the same as the present practice except that the VTI directors and their staff presently have considerable say in reviewing and recommending candidates for the position of assistant director.
