LD: 1636

AN ACT RELATING TO THE AUTHORITY OF MEDICAL SERVICE ORGANIZATIONS AND NONPROFIT HOSPITALS TO MAKE INCIDENTAL INDEMNITY PAYMENTS (REPORTED PURSUANT TO A JOINT ORDER; HP1110)

OTP

HOUSE SENATE

Indef. PP

GOV

H-352 CA MIN REP

SUMMARY:

Original LD 592 allowed hospital and medical service organizations (BC/BS) to offer comprehensive contracts with incidental indemnity benefits of up to 10% of total benefits. The Committee majority report, LD 1604, allowed this but required the organization to pay a premium tax of 1% on 10% of the premium written for such a policy. The minority report committee amendment A (S-120) required a tax of 1% on all premiums written.

After being reported it was discovered that the original LD was a Senate paper and that because any tax measures must originate in the House the measure was re-referred to the committee as a House paper. The majority report came out as LD 1636; the minority report as committee amendment A to LD 1636 (H-352). Once on the floor the House re-referred it to the Taxation Committee, while the Senate placed it on the Appropriations Table, where it died.

LD: 1651 EMERGENCY AN ACT RELATING TO SHARES OF STOCK OF ASTI-KIM CORPORATION

ZIRNKILTON GWADOSKY ARMSTRONG

OTP

HOUSE Held in Committee

SENATE Recommitted

GOV

SUMMARY:

This private and special bill would permit the Asti-Kim Corporation to vote its treasury stock. Special permission would be needed because Maine's Business Corporation Act does not allow a corporation to vote its treasury stock since this ability dilutes the authority of the shareholders. The bill has been carried over to the Second Regular Session.
