LD 3 AN ACT TO PROTECT UNDERSEA CABLES.

PL 1987
c. 1
EMERGENCY

Sponsor: PERKINS, Zirnkilton
Committee Report: OTP

SUMMARY: This bill made technical corrections in the description of the cable area between Swan's Island and Frenchboro, Long Island which was closed by the Legislature in 1985 to all forms of dragging. The bill also changed the penalty provisions for dragging in the cable area from civil to criminal. Civil penalty provisions were not considered a strong enough deterrent to prevent fishermen from dragging the cable area. Criminal penalty provisions give marine patrol officers the authority to issue summonses and make arrests.

LD 12 AN ACT TO PREVENT THE DESTRUCTION OF LOBSTER GEAR. ONTP

Sponsor: RICE
Committee Report: ONTP-OTP

SUMMARY: This bill, sponsored on behalf of the Maine Lobstermen's Association (MLA), would have made it illegal to install, repair, or operate an automatic line cutting device commonly known as "spurs" in Maine waters. MLA contends that they suffer tremendous trap losses from spurs each year. The Committee felt that DMR's enforcement of this bill would be very difficult, especially with the influx of out-of-state boaters in the summer. A similar bill was vetoed by the Governor in the 112th session.

LD 13 AN ACT RELATING TO THE USE OF PARAVANES. ONTP

Sponsor: SCARPINO
Committee Report: ONTP-12 OTP-A-1

SUMMARY: Paravanes are bird-shaped stabilizing devices mounted on outriggers used by commercial fishing vessels. Paravanes have the potential to damage lobster gear when submerged by catching hold of trap lines and dragging traps considerable distances. This bill would have outlawed their use except when a vessel is actively fishing. The Committee, citing safety concerns and the difficulty of enforcing the bill, voted ONTP. The sponsor amended the
