BRANNIGAN MARTIN J BUSTIN	LV/WD	

SUMMARY
This bill establishes a flexible rating system for property and casualty insurance. Any increase or decrease in rates under 15% would be allowed upon filing and compliance with existing rules. If the proposed rate increase or decrease is 15% or greater, the superintendent must hold a hearing at which the insurance company must prove that the proposed rate is neither "excessive" nor "inadequate," as defined in the Maine Revised Statutes, Title 24-A, section 2336, but without reference to whether a "competitive market" exists.

This bill was carried-over from the 1st Regular Session of the 113th Legislature. The bill was given leave-to-withdraw during the 2nd Regular Session of the 113th Legislature.
