LD AN ACT TO PROVIDE FOR STAGGERED REGISTRATION OF ONTP  
1018 SNOWMOBILES AND ALL TERRAIN VEHICLES.

Sponsor: INGRAHAM  
Committee Report: ONTP

SUMMARY: This bill sought to establish a staggered system of registration for snowmobiles and ATVs based on an owner's birthday. There were no proponents for the bill. Opponents stated that there was no advantage to staggered registration for snowmobiles; that because of the various transfers of snowmobile fees, prorating all those figures would be cumbersome; and that most people wait until there is snow before they register their snowmobiles. There also are two new changes that will take effect this year, an increase in fees and local registration, and it was felt that another change would only increase confusion.

LD AN ACT TO PROTECT LANDOWNERS FROM DAMAGE OR PL 1987  
1048 DESTRUCTION OF TREES BY HUNTERS MAINTAINING c. 161  
LADDERS OR OBSERVATION STANDS.

Sponsor: JACQUES  
Committee Report: OTP

SUMMARY: This bill strengthens controls over tree stands by prohibiting the insertion of metal or ceramic objects to be used as a ladder or support for the stands. The bill also requires landowner consent for erecting a stand and removal within 10 days of the close of hunting season. These provisions were included to foster better landowner relations and to avoid future problems processing timber with metal or ceramic inserts.

LD AN ACT TO AMEND THE HUNTING LAWS CONCERNING PL 1987  
1050 VINALHAVEN. c. 144

Sponsor: SCARPINO  
Committee Report: OTP

SUMMARY: This bill removes the prohibition against using a firearm other than a shotgun on Vinalhaven Island. The island currently supports a sizeable deer population and there was no biological reason to restrict rifle-hunting. These restrictions are usually made for safety reasons.
