LD AN ACT CONCERNING LIABILITY INSURANCE COVERAGE
1673 FOR AMUSEMENT DEVICES

PL 1987
c. 264

Sponsor: COLLINS, Theriault
Committee Report: New Draft of LD 1111

SUMMARY: The original bill (LD 1111) provides that the Commissioner of Public Safety may not require a certificate of public liability insurance in an amount in excess of \$100,000 for small, permanent amusement parks.

The new draft completely replaces the substance of the original bill. The new draft adds a reference to federal law which allows insurance to be provided through risk retention groups or purchasing groups.

LD AN ACT TO CONTINUE INSURANCE COVERAGE FOR
1674 -MENTAL HEALTH, ALCOHOL AND SUBSTANCE ABUSE
TREATMENT SERVICES FOR MAINE CITIZENS

PL 1987
c. 480

Sponsor: CLARK, N., Kimball, Rolde, Perkins
Committee Report: New Draft of LD 404
Amendments Adopted:
S-204 PEARSON

SUMMARY: The original bill (LD 404) repeals the expiration date of the State's laws establishing insurance coverage for treatment of mental illness and alcohol and substance abuse, enacted by the Legislature in 1983. The original bill establishes a regular 5-year review of these benefits and creates a representative advisory committee to assist the Bureau of Insurance in developing accurate data and information regarding the costs and impacts of all mandated benefits. The original bill also requires these mandated benefits to be available as of the annual renewal date and be applicable to certificates issued in the State by out-of-state insurance companies.

The new draft keeps most of these provisions but renames and modifies the structure and appointment process of the advisory commission. The 5-year review of mental health, alcohol and substance abuse benefits is deleted in the new draft. The new draft also adds an appropriations section, an allocations section, and a fiscal note.

Senate Amendment A (S-204) removes the General Fund Commitment and funds the Mandated Benefits Advisory Commission with dedicated funds.
