LD An Act to Provide Maine Residents Access to Graduate Social LV/WD  
2438 Work Education in Southern Maine

<u>SPONSOR(S)</u>	<u>COMMITTEE REPORT</u>	<u>AMENDMENTS ADOPTED</u>
CLARK N SHELTRA DUTREMBLE D MURPHY T	LV/WD	

SUMMARY

This bill would have provided a subsidy to the University of New England for each student enrolled half time or more in the graduate social work program at that university. The amount of the subsidy would have been the difference between the University of Maine System resident graduate tuition and the actual University of New England tuition or the UMS non-resident graduate tuition, whichever is less. The subsidy would have been paid from funds budgeted by the UMS for a graduate social work program at the University of Southern Maine.

The committee discussed the possibility of expanding or creating a new program paralleling the present Maine Student Incentive Scholarship Program to provide financial assistance to all graduate students. There was insufficient time to work out all the details of such a program so the committee asked the commissioner's task force on student financial aid to look at the issue.

SUMMARY

This bill would have established that a vacancy in the office of school director in a school administrative district exists when a director is absent from three consecutive SAD school board meetings without the permission of the municipal officers of the town which he or she represents on the board.

Although this bill was not enacted, a similar provision was enacted as part of LD 2654.
