SUMMARY

This bill permits School Administrative District No. 27, School Administrative District No. 33 and the Madawaska School Department to enter into a cooperative agreement which would provide for the construction of a new vocational center. The committee amendment adds a fiscal note to the bill which states that increases in future program costs that result from this bill will be subsidized through the General Purpose Aid for Local School Accounts beginning in fiscal year 1993-94. The Department of Educational and Cultural Services, under the School Finance Act of 1985, will reimburse the affected school systems for the additional vocational program costs in fiscal year 1993-94, assuming these costs were incurred in fiscal year 1991-92.

SUMMARY

This bill authorized the school committee of the Town of Blue Hill to lease, on a long-term basis, the existing site of the Blue Hill Consolidated School and up to 20 acres of additional adjacent land. This additional land was needed to provide an adequate site for a proposed school construction project. The committee amendment removed the emergency preamble and the emergency clause from the bill.
