SUMMARY

The purpose of this bill is to remove from the Norridgewock Water District the authority to provide and maintain a sewerage system. The bill provides that this authority will vest in the selectmen of the Town of Norridgewock. The bill further amends the water district charter by defining the applicable territory to be the entire Town of Norridgewock and increasing the salary of the treasurer to an amount not to exceed \$500 per year.

The Senate amendment adds an emergency preamble and clause. It requires voter approval for the expansion of the district. Finally, it requires the selectmen to conform with existing laws on the formation of a sewer system in the town.
