JOINT STANDING COMMITTEE BILL SUMMARIES

AUGUST 1991

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees and Joint Select Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries.

All adopted amendments are listed, by paper number (e.g., H - 584 or S - 222), together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various types of final action are abbreviated as follows:

GILL **RYDELL**

SUMMARY

This bill prohibits insurers from requesting insurance applicants to reveal the results of prior testing for the presence of HIV. A similar provision contained in the Maine Revised Statutes, Title 5 was inadvertently repealed on October 1, 1990. The provision is replaced in Title 5 and added to the Maine Insurance Code for purposes of clarification.

LD7

An Act to Change an Effective Date and to Correct Errors and Inconsistencies in the Real Estate Appraisal Laws

AMENDMENTS ADOPTED

S-1 BALDACCI

BALDACCI

SUMMARY

This bill extends the effective date for the licensure requirement of real estate appraisers. The original effective date of January 1, 1991, does not provide sufficient time for creation of the Board of Real Estate Appraisers, rulemaking and licensure of all those eligible as provided by Public Law 1989, chapter 806.

The bill also clarifies the reputation requirement for licensure and makes some technical changes to avoid ambiguity concerning the standards of professional appraisal practice.

Senate Amendment "A" removes the retroactivity section from the bill as that section is unnecessary if the bill is enacted and signed into law before January 1, 1991.
