SPONSOR(S) **COMMITTEE REPORT** **AMENDMENTS ADOPTED**
MICHAUD ONTP

SUMMARY

This bill would have amended the low-density subdivision exemption added to the site location of development laws during the 114th Legislature. The bill would have eliminated certain dimensional requirements of the existing law and explicitly authorized any qualified easement holder to hold easements employed to meet the requirements of the exemption. The bill also would have required the Commissioner of Environmental Protection to forward a copy of the exemption application to the appropriate municipality within 15 days of receipt of a completed exemption application.

SPONSOR(S) **COMMITTEE REPORT** **AMENDMENTS ADOPTED**

SUMMARY

This bill would have exempted populated unorganized islands owned by at least 3 people from the jurisdiction of the Maine Land Use Regulation Commission and required that those islands form a "citizen council" to carry out the purposes of the unorganized land use regulation laws set forth in the Maine Revised Statutes, Title 12, chapter 206-A.
