SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
BOUTILIER BERUBE PARADIS P RICHARDS	LV/WD	

SUMMARY

The bill would have required the Department of Corrections to notify victims when a person is released on or from parole, or when the person's sentence is served. Current law requires notification of the release of persons who committed Class A, B and C crimes only and no notice when the sentence has been completed for any crimes. The bill would have required the State Parole Board to consider comprehensive information about the convicted person applying for parole. The board would have been required to notify the prosecutor and the victim about any parole hearings and allow them to testify or otherwise present information.

For a sex offender whose victim is a minor, the board would have been required to have a disinterested 3rd party examine the offender to determine if that person still represents a danger to children. For a sex offender whose victim is a minor, the bill would have required the board to include as a condition of parole, if parole is granted, that the convicted person be accepted by and participate in mental health therapy programs designed to address the offense for which the person was convicted.

LD 424**An Act to Enhance Protection of Children in Court Proceedings**

LV/WD

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
BOUTILIER GAUVREAU CATHCART DAGGETT	LV/WD	

SUMMARY

The bill would have allowed a child who is a victim of alleged abuse or neglect to provide testimony using closed-circuit television. However, the court would have first had to rule that the testimony of the child victim in the courtroom would result in the child's suffering serious emotional distress, limiting the child's ability to communicate. The bill also would have allowed victims of alleged abuse or neglect to choose up to 2 support persons to be present during the testimony of the child.

LD 427**An Act Relating to Discrimination in Membership in Golf and Country Clubs**

PUBLIC 109

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
GAUVREAU CLARK N TREAT KETTERER	OTP-AM	S-52

SUMMARY

The bill makes it illegal for golf clubs and country clubs to discriminate by specifically naming golf clubs and country clubs as places of public accommodation. It is a violation of the Maine Human Rights Act to discriminate in the provision of public accommodations on the basis of race or color, sex, physical or mental handicap, religion, ancestry or national origin.
