COMMITTEE REPORT
 OTP-AM

AMENDMENTS ADOPTED
 S-79

SUMMARY

This bill prohibits the State Liquor Commission from issuing a liquor license to a golf club that discriminates in membership on the basis of a person's race or color, gender, physical or mental handicap, religion, age or ancestry or national origin.

Committee Amendment "A" (S-79) provides that a liquor license will be denied only if the Maine Human Rights Commission has found reasonable cause to believe that the club's membership practices are discriminatory and conciliation efforts with the club have failed. The amendment also extends the license denial to restaurant licensees located on the property of golf clubs.

LD 506 An Act Amending the Primary Election Law Requiring a Minimum Number of Votes

COMMITTEE REPORT
 OTP-AM

AMENDMENTS ADOPTED
 S-136

SUMMARY

Current law requires candidates at primary elections to obtain a minimum number of votes to be nominated. For a candidate for the Maine House of Representatives, the number of votes required is 25, and for a candidate for the Maine Senate the number is 100. This bill provides that a candidate for the Legislature who qualifies for the primary election by petition and consent and who is unopposed at the primary election is nominated for the office of Senator or member of the House of Representatives regardless of the number of votes cast at the primary election.

Committee Amendment "A" (S-136) provides that a person is nominated at a primary election if the person receives a plurality of the votes, regardless of whether that person is unopposed. The amendment also applies this rule to candidates for all offices, not just for the Legislature. The rule for write-in candidates is not changed.

LD 524 An Act to Prohibit the Charging of Rent in Advance by Landlords

COMMITTEE REPORT
 OTP-AM

AMENDMENTS ADOPTED
 H-245

SUMMARY

This bill would have prohibited landlords from charging tenants of residential rental units any combination of security deposit and advance rent that exceeds the equivalent of 3 months' rent.

Committee Amendment "A" (H-245) would have replaced the bill and clarified that advance rent is a security deposit, and that a landlord may not avoid the limit on security deposit by creating a rental period greater than one month. See also LD 1923.
