AMENDMENTS ADOPTED
H-101

SUMMARY

This bill exempts individuals from having to obtain a vehicle auction business license from the Secretary of State when those individuals already have a regular auctioneers' license and the vehicles currently being sold are part of a liquidation of business equipment.

Committee Amendment "A" (H-101) limits the exemption provided in the bill to vehicle auctioneers licensed by the Department of Professional and Financial Regulation who auction vehicles incidental to the liquidation of a business or an estate. The amendment also adds a fiscal note to the bill.
