SUMMARY

Under present law, the Secretary of State must suspend a person's license when the Secretary of State determines from the arresting officer's report that the person operated a motor vehicle with an excessive blood-alcohol level. The Secretary of State may not restore the person's license until the person has completed the alcohol and other drug education, evaluation and treatment program, also known as DEEP, regardless of the outcome of the case in court. Therefore, people who are acquitted of operating-under-the-influence offenses are still required to complete the DEEP program.

This bill would eliminate the DEEP completion requirement when a person is acquitted of the charge or when the charge is dismissed.

This bill was carried over to the 2nd Regular Session by the Transportation Committee.

PUBLIC 596

SPONSOR(S) GRAHAM SKOGLUND LIBBY LUDWIG AMENDMENTS ADOPTED H-307

SUMMARY

This bill would have allowed the Secretary of State, upon request of the owner, to issue a certificate of title for vehicles over 10 years old.

Committee Amendment "A" (H-307) replaces the original bill. It permits the Secretary of State to issue a warranty title for a classic vehicle more than 10 years old, but not old enough to be an antique auto or horseless carriage. The amendment sets the fee for a warranty title for classic vehicles, antique autos and horseless carriages at \$40. The amendment also adds an allocation and a fiscal note to the bill.
