SUMMARY

AMENDMENTS ADOPTED
S-46

SUMMARY

This bill amends the charter of the Kennebec Sanitary Treatment District. The bill entitles trustees of the district to compensation approved by majority vote of the municipal officers in municipalities representing a majority of the population within the district. The bill makes technical changes concerning budgetary and fiscal matters. The bill originally provided for certain penalties for violations of pretreatment standards by industrial users. The committee amendment (S-46) redrafted these provisions so the charter conforms to the federal Water Pollution Control Act (Clean Water Act). (See, LD 1358, which supersedes these provisions).

LD 712

An Act to Amend the Charter of the Portland Water District

AMENDMENTS ADOPTED
H-161 CHONKO
S-41

SUMMARY

This bill amends the charter of the Portland Water District to give the district the authority it is required to have under the federal Water Pollution Control Act (Clean Water Act) with regard to enforcement of pretreatment standards. This bill also makes certain technical changes in the charter. The bill proposed to prohibit ice fishing in the area of the Sebago Lake (the district's water source) near the district's intakes. The committee amendment (S-41) eliminates that prohibition. (See LD 1358 with regard to the district's power to enforce pretreatment standards.)
