LD 762 An Act Concerning Rental Vehicle Insurance

ONTP

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
TRACY	ONTP	
BUSTIN		
CONSTANTINE		
GARLAND		

SUMMARY

This bill provides that motor vehicle rental insurance not exclude from coverage any coverage provided under a motor vehicle insurance policy approved by the Superintendent of Insurance. It provides that an insured must be informed that the insured may have adequate insurance coverage without purchasing a collision damage waiver. The bill defines an authorized driver of a rental vehicle. It also provides that the owner may not require the renter to assume responsibility for the owner's loss of use of the vehicle. Currently, renters are not made aware at the time of accepting or declining the collision damage waiver that they may be liable for loss of use, which is not usually covered under their own auto insurance policies.

ONTP-MAJ REP

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED

GARLAND		

SUMMARY

This bill authorizes school boards, in their discretion, to provide group health, hospitalization and major medical benefits to their employees through direct reimbursement plans or programs by self-insuring such benefits. The bill provides guidelines for the establishment and operation of individual and group programs. School boards establishing programs would be required to set aside sufficient amounts to pay immediate claims before commencing operation of the programs. School boards also would be required to obtain excess insurance or reinsurance, that is, so-called "stop-loss coverage," to limit their exposure under such programs and to adopt guidelines establishing funding mechanisms for the programs before commencing operation of the programs. The legal entity establishing a program to serve a group of school administrative units would be required to adopt a plan of management providing for the financial operation of the program.
