SUMMARY

This bill allows the Commissioner of Inland Fisheries and Wildlife by rule to extend the deer hunting season to the first Saturday in December in any year in which November 30th falls on a Wednesday, Thursday or Friday. The committee amendment (H-172) requires that in any year in which the commissioner by rule extends the season into December, the commissioner must also adopt split seasons for northern and southern zones of the State. In those years, the season must be opened in the northern zone one week earlier than it is opened in the southern zone.
